

Do you love Potato Chip Quilts? You can make them Snack or Party Bag Size and spice them up with many different flavors!

Chip sizes – All sizes are based on a length is double the width with $\frac{1}{2}$ " added to each side. For example: 4" is double 2" and adding $\frac{1}{2}$ " to each gives you a cut size of 4 $\frac{1}{2}$ " and 2 $\frac{1}{2}$ "

Finished chips size	Cut size	Block size	
		(using 3 rounds of chips)	
1.5" x 3"	2" x 3.5"	9" square	
2" x 4"	2.5" x 4.5" (great from jelly rolls)	12" square	
3" x 6"	3.5" x 6.5"	18" square

Storage (Baggies)

Use 4 baggies to store your chips so you can chain sew sections together easily. This organization plan is described in the Tips and Trick <u>Quick Tips Video</u> and really helps speed up piecing these blocks.

Baggies	Location	Sewing instructions (write on baggies)	# of chips/block	# of units per block
Strips of 3	Long outer edges	Short ends together into strip of 3	6	2
Strips of 2	Inner border sides and outer border top/bottom	Short ends together into 2 strips of 2 chips	8	4
2-Rectangle square	Center	Sew long sides together	2	1
Single chips	Top/bottom of center	Sew to top and bottom of center	2	2

I hope these tips help you enjoy your potato chip quilts even more! If you make some, please post to your favorite social media with #copycatquilter and #potatochipquilts so I can see! And, if you'd like to, please join my Facebook group where you can share pictures with other copycat quilters!

Thank you! Ginger
