---

### **Background Information:**

On May 14, 2020 the Orange County Agricultural Commissioner's Office received an Incident Report from the California's System for Pesticide Incident Reporting (CASPIR) which states the Reporter Name as [REDACTED]. The CASPIR Incident Report states, they were spraying pesticides with no signs and no truck. The Incident Report states just one guy on the roundabout of Sienna and O'Neil and he was by himself with no other workers around.

### **Violations:**

No violations of FAC or CCR found.

### **Investigations and Statements:**

On May 11, 2020 at 11:54am Agricultural Inspector Abel Castillo with the Orange County Agricultural Commissioner's Office went to the Homeowner's Association for Ladera Ranch which is Ladera Ranch Maintenance Corporation (LARMAC) located at 1 Daisy Street in the city of Ladera Ranch. Inspector Castillo observed Notice of Pesticide Application posting for the Month of May, 2020 by O'Connell Landscape. Attachment 1 is a copy of the Notification of Application for O'Connell Landscape witnessed by Inspector Castillo which states the location areas where pesticides will be possibly applied, dates of the possible pesticide applications, what pesticides will be possibly be applied and precautions to be observed. The LARMAC clubhouse also maintains binders with pesticide labels that O'Connell Landscape could possibly apply which is accessible to all residents. The residents of Ladera Ranch have access to the posting and can access the clubhouse to see what pesticides will possibly be applied, the dates of the possible pesticide applications and where the pesticides will possibly be applied. The pesticides applied by O'Connell Landscape do not require signs to be posted.

On May 27, 2020 Senior Agricultural Inspector Kathy Kilar with the Orange County Agricultural Commissioner's Office emailed [REDACTED] explaining to [REDACTED] California Code of Regulations Section 6618(b) Notice of Applications and also explaining the posting at Ladera Ranch clubhouse. Attachment 3 is a copy of the email sent to [REDACTED]. Inspector Kilar did not receive a response from the email sent to [REDACTED].

O'Connell Landscape is a licensed Pest Control Business with the California Department of Pesticide Regulation license number 30193 and is located at 23091 Arroyo Vista in the city of Rancho Santa Margarita. O'Connell is registered with the Orange County Agricultural Commissioner's Office to conduct pest control in Orange

COUNTY OF OCCURRENCE  
Orange

DATE OF OCCURRENCE  
05/14/2020

County. O'Connell Landscape uses pesticides that are registered for use in California and follows all laws and regulations applicable.

On June 2, 2020 at 12:14pm Inspector Castillo visited the clubhouse at Ladera Ranch and observed the Notification of Pesticide Application updated for the month of June, 2020. Attachment 2 is a copy of the Notice of Pesticide Application posted for O'Connell landscape for the residents in Ladera Ranch.

## **CONCLUSION**

According to the information obtained, O'Connell Landscape follows Notice of Applications regulations Section 6618(b) of the California Code of Regulations and the residents of Ladera Ranch have prior notice of all possible pesticide applications and locations. The residents of Ladera Ranch are informed that the clubhouse located at 1 Daisy Street in Ladera Ranch has postings of all possible pesticide applications and is accessible to all residents of Ladera Ranch.

The Orange County Agricultural Commissioner's office has received complaints regarding pesticide applications from several Ladera Ranch residents for several years to the current 2021 year. The Orange County Agricultural Commissioner's Office has stated to residents that O'Connell Landscape is a licensed Pest Control Business through the California Department of Pesticide Regulation and applies products that are registered for use in California. Several residents of Ladera Ranch have communicated to the Orange County Agricultural Commissioner's Office that they would like no pesticides to be applied in Ladera Ranch. However, the Orange County Agricultural Commissioner's Office has stated to the residents that have called that O'Connell Landscape is a licensed Pest Control Business and is applying legally registered pesticide products and all laws and regulations are followed. The Orange County Agricultural Commissioner's Office has stated to the residents that have called regarding no pesticides to be applied in Ladera Ranch that is a subject between the residents and the Homeowner's Association.

No violations of FAC or CCR found.

## **ATTACHMENTS**

1. Notice of Pesticide Applications for the month of May, 2020 for Ladera Ranch.
2. Notice of Pesticide Applications for the month of June, 2020 for Ladera Ranch.
3. Email sent to [REDACTED] from Inspector Kilar regarding Notice of Pesticide Applications.

**Kilar, Kathy**

---

**From:** Kilar, Kathy  
**Sent:** Wednesday, May 27, 2020 2:09 PM  
**To:** [REDACTED]  
**Subject:** Pesticide Incident Report submitted

Hi [REDACTED]

This is Kathy Kilar from the Orange County Agricultural Commissioner's Office. We received your Pesticide Incident Report Case # 2020-0027 stating, "They were spraying pesticide with no signs and no truck. Just one guy on the roundabout of Sienna and O'Neil. He was by himself with no other workers around." We also received your Pesticide Incident Report Case # 2020-0028 stating, "Spraying Pesticides with no truck or signs around. Nothing to show residence it was happening."

On May 11, 2020 our Inspector went to the Ladera Ranch Maintenance Corporation (LARMAC) Club House Posting Board located at 1 Daisy Street in Ladera Ranch. The Club House Posting Board is posted with Notices of Applications from O'Connell Landscape and Animal Pest Management which states dates of the scheduled applications, identity of the pesticides and precautions. Both O'Connell Landscape and Animal Pest Management are licensed Pest Control Businesses with the California Department of Pesticide Regulation and have registered with the Orange County Agricultural Commissioner's Office.

The pesticides that were applied on May 14, 2020 were conducted by O'Connell Landscape and does not requiring posting with signs. O'Connell Landscape is required to submit a Notice of Application to the Property Operator which in this case is Ladera Ranch Maintenance Corporation. The notice must be in a manner the person can understand and includes the date of the scheduled application, the identity of the pesticide and precautions. Then in turn the property operator, Ladera Ranch Maintenance Corporation shall assure that notice is given to all persons who are on the property to be treated, or who may enter during the application or the period of time that any restrictions on entry are in effect. The Notice can be done of varies means such as posting, emailing, verbally or any other means. Also our Inspector was told that Notice of Application is also conducted via email to the residents. Posting at the Club House and emailing the residents meets the regulation of California Code of Regulations Section 6618(b). Please see below the code Section that applies:

#### **California Code of Regulations Section 6618(b). Notice of Applications.**

**(b) This subsection applies to the use of any pesticide for purposes other than the commercial or research production of an agricultural plant commodity. Notifications required by this subsection must be given orally or in writing and be completed prior to the use of any pesticide and in ample time for all subsequent notifications to be made and for all persons notified to take appropriate action. This time will differ depending on the circumstances of each notification.**

**(1) Each person performing pest control shall assure that the operator of the property receives notice of the scheduled application. The notice must be in a manner the person can understand and include:**

**(A) The date of the scheduled application;**

**(B) The identity of the pesticide (including spray adjuvants, if applicable) by brand or common chemical name; and**

**(C) Any other precautions printed on the pesticide product labeling or included in applicable laws or regulations related to the protection of employees or other persons during the application.**

**(2) The operator of the property shall assure that notice is given to all persons who are on the property to be treated, or who may enter during the application or the period of time that any restrictions on entry are in effect, except for the persons who made or supervised the application for which the notice is intended. The notice must be in a manner the person can understand and include:**

**(A) The date of the scheduled application;**

**(B) The identity of the pesticide (including spray adjuvants, if applicable) by brand or common chemical name; and**

**(C) Precautions to be observed as printed on the pesticide product labeling or included in applicable laws or regulations related to the entry of the treated area.**

**(3) Compliance by licensed Structural Pest Control Operators with the notice requirements of section 8538 of the Business and Professions Code meets the requirements of this subsection.**

**(4) Compliance by public agencies with the notice or barrier requirements of section 12978 of the Food and Agricultural Code meets the notice requirements of this subsection.**

I'm not sure I answered your questions, please feel free to reach out to me to discuss any further questions or concerns.

Have a great afternoon and take good care,

**Kathy Kilar

COUNTY OF OCCURRENCE  
Orange

DATE OF OCCURRENCE  
05/13/2020

### **Background Information:**

On May 14, 2020 the Orange County Agricultural Commissioner's Office received an Incident Report from the California's System for Pesticide Incident Reporting (CASPIR) which states the Reporter Name as [REDACTED]. The CASPIR Incident Report states, spraying pesticides with no truck or signs around and nothing to show residence it was happening.

### **Violations:**

No violations of FAC or CCR found.

### **Investigations and Statements:**

On May 11, 2020 at 11:54am Agricultural Inspector Abel Castillo with the Orange County Agricultural Commissioner's Office went to the Homeowner's Association for Ladera Ranch which is Ladera Ranch Maintenance Corporation (LARMA) located at 1 Daisy Street in the city of Ladera Ranch. Inspector Castillo observed Notice of Pesticide Application posting for the Month of May, 2020 by O'Connell Landscape. Attachment 1 is a copy of the Notification of Application for O'Connell Landscape witnessed by Inspector Castillo which states the location areas where pesticides will be possibly applied, dates of the possible pesticide applications, what pesticides will be possibly be applied and precautions to be observed. The LARMA clubhouse also maintains binders with pesticide labels that O'Connell Landscape could possibly apply which is accessible to all residents. The residents of Ladera Ranch have access to the posting and can access the clubhouse to see what pesticides will possibly be applied, the dates of the possible pesticide applications and where the pesticides will possibly be applied. The pesticides applied by O'Connell Landscape do not require signs to be posted.

On May 27, 2020 Senior Agricultural Inspector Kathy Kilar with the Orange County Agricultural Commissioner's Office emailed [REDACTED] explaining to [REDACTED] California Code of Regulations Section 6618(b) Notice of Applications and also explaining the posting at Ladera Ranch clubhouse. Attachment 3 is a copy of the email sent to [REDACTED]. Inspector Kilar did not receive a response from the email sent to [REDACTED].

O'Connell Landscape is a licensed Pest Control Business with the California Department of Pesticide Regulation license number 30193 and is located at 23091 Arroyo Vista in the city of Rancho Santa Margarita. O'Connell is registered with the Orange County Agricultural Commissioner's Office to conduct pest control in Orange County. O'Connell Landscape uses pesticides that are registered for use in California and follows all laws and regulations applicable.

On June 2, 2020 at 12:14pm Inspector Castillo visited the clubhouse at Ladera Ranch and observed the Notification of Pesticide Application updated for the month of June, 2020. Attachment 2 is a copy of the Notice of Pesticide Application posted for O'Connell landscape for the residents in Ladera Ranch.

## **CONCLUSION**

According to the information obtained, O'Connell Landscape follows Notice of Applications regulations Section 6618(b) of the California Code of Regulations and the residents of Ladera Ranch have prior notice of all possible pesticide applications and locations. The residents of Ladera Ranch are informed that the clubhouse located at 1 Daisy Street in Ladera Ranch has postings of all possible pesticide applications and is accessible to all residents of Ladera Ranch.

The Orange County Agricultural Commissioner's office has received complaints regarding pesticide applications from several Ladera Ranch residents for several years to the current 2021 year. The Orange County Agricultural Commissioner's Office has stated to residents that O'Connell Landscape is a licensed Pest Control Business through the California Department of Pesticide Regulation and applies products that are registered for use in California. Several residents of Ladera Ranch have communicated to the Orange County Agricultural Commissioner's Office that they would like no pesticides to be applied in Ladera Ranch. However, the Orange County Agricultural Commissioner's Office has stated to the residents that have called that O'Connell Landscape is a licensed Pest Control Business and is applying legally registered pesticide products and all laws and regulations are followed. The Orange County Agricultural Commissioner's Office has stated to the residents that have called regarding no pesticides to be applied in Ladera Ranch that is a subject between the residents and the Homeowner's Association.

No violations of FAC or CCR found.

**Kilar, Kathy**

---

**From:** Kilar, Kathy  
**Sent:** Wednesday, May 27, 2020 2:09 PM  
**To:** [REDACTED]  
**Subject:** Pesticide Incident Report submitted

Hi [REDACTED]

This is Kathy Kilar from the Orange County Agricultural Commissioner's Office. We received your Pesticide Incident Report Case # 2020-0027 stating, "They were spraying pesticide with no signs and no truck. Just one guy on the roundabout of Sienna and O'Neil. He was by himself with no other workers around." We also received your Pesticide Incident Report Case # 2020-0028 stating, "Spraying Pesticides with no truck or signs around. Nothing to show residence it was happening."

On May 11, 2020 our Inspector went to the Ladera Ranch Maintenance Corporation (LARMAC) Club House Posting Board located at 1 Daisy Street in Ladera Ranch. The Club House Posting Board is posted with Notices of Applications from O'Connell Landscape and Animal Pest Management which states dates of the scheduled applications, identity of the pesticides and precautions. Both O'Connell Landscape and Animal Pest Management are licensed Pest Control Businesses with the California Department of Pesticide Regulation and have registered with the Orange County Agricultural Commissioner's Office.

The pesticides that were applied on May 14, 2020 were conducted by O'Connell Landscape and does not requiring posting with signs. O'Connell Landscape is required to submit a Notice of Application to the Property Operator which in this case is Ladera Ranch Maintenance Corporation. The notice must be in a manner the person can understand and includes the date of the scheduled application, the identity of the pesticide and precautions. Then in turn the property operator, Ladera Ranch Maintenance Corporation shall assure that notice is given to all persons who are on the property to be treated, or who may enter during the application or the period of time that any restrictions on entry are in effect. The Notice can be done of varies means such as posting, emailing, verbally or any other means. Also our Inspector was told that Notice of Application is also conducted via email to the residents. Posting at the Club House and emailing the residents meets the regulation of California Code of Regulations Section 6618(b). Please see below the code Section that applies:

#### **California Code of Regulations Section 6618(b). Notice of Applications.**

**(b) This subsection applies to the use of any pesticide for purposes other than the commercial or research production of an agricultural plant commodity. Notifications required by this subsection must be given orally or in writing and be completed prior to the use of any pesticide and in ample time for all subsequent notifications to be made and for all persons notified to take appropriate action. This time will differ depending on the circumstances of each notification.**

**(1) Each person performing pest control shall assure that the operator of the property receives notice of the scheduled application. The notice must be in a manner the person can understand and include:**

**(A) The date of the scheduled application;**

**(B) The identity of the pesticide (including spray adjuvants, if applicable) by brand or common chemical name; and**

**(C) Any other precautions printed on the pesticide product labeling or included in applicable laws or regulations related to the protection of employees or other persons during the application.**

**(2) The operator of the property shall assure that notice is given to all persons who are on the property to be treated, or who may enter during the application or the period of time that any restrictions on entry are in effect, except for the persons who made or supervised the application for which the notice is intended. The notice must be in a manner the person can understand and include:**

**(A) The date of the scheduled application;**

**(B) The identity of the pesticide (including spray adjuvants, if applicable) by brand or common chemical name; and**

**(C) Precautions to be observed as printed on the pesticide product labeling or included in applicable laws or regulations related to the entry of the treated area.**

**(3) Compliance by licensed Structural Pest Control Operators with the notice requirements of section 8538 of the Business and Professions Code meets the requirements of this subsection.**

**(4) Compliance by public agencies with the notice or barrier requirements of section 12978 of the Food and Agricultural Code meets the notice requirements of this subsection.**

I'm not sure I answered your questions, please feel free to reach out to me to discuss any further questions or concerns.

Have a great afternoon and take good care,

**Kathy Kilar

### **Background Information:**

On June 01, 2020 the Orange County Agricultural Commissioner's Office received an Incident Report from the California's System for Pesticide Incident Reporting (CASPIR) which states the Reporter has chosen to remain anonymous. The CASPIR Incident Report states, I saw a man spraying chemicals on the plants right next to the side walk where people were walking including myself.

### **Violations:**

No violations of FAC or CCR found.

### **Investigations and Statements:**

On May 11, 2020 at 11:54am Agricultural Inspector Abel Castillo with the Orange County Agricultural Commissioner's Office went to the Homeowner's Association for Ladera Ranch which is Ladera Ranch Maintenance Corporation (LARMAC) located at 1 Daisy Street in the city of Ladera Ranch. Inspector Castillo observed Notice of Pesticide Application posting for the Month of May, 2020 by O'Connell Landscape. Attachment 1 is a copy of the Notification of Application for O'Connell Landscape witnessed by Inspector Castillo which states the location areas where pesticides will be possibly applied, dates of the possible pesticide applications, what pesticides will be possibly be applied and precautions to be observed. The LARMAC clubhouse also maintains binders with pesticide labels that O'Connell Landscape could possibly apply which is accessible to all residents. The residents of Ladera Ranch have access to the posting and can access the clubhouse to see what pesticides will possibly be applied, the dates of the possible pesticide applications and where the pesticides will possibly be applied. The pesticides applied by O'Connell Landscape do not require signs to be posted.

O'Connell Landscape is a licensed Pest Control Business with the California Department of Pesticide Regulation license number 30193 and is located at 23091 Arroyo Vista in the city of Rancho Santa Margarita. O'Connell is registered with the Orange County Agricultural Commissioner's Office to conduct pest control in Orange County. O'Connell Landscape uses pesticides that are registered for use in California and follows all laws and regulations applicable.

On June 2, 2020 at 12:14pm Inspector Castillo visited the clubhouse at Ladera Ranch and observed the Notification of Pesticide Application updated for the month of June, 2020. Attachment 2 is a copy of the Notice of Pesticide Application posted for O'Connell landscape for the residents in Ladera Ranch.

## **CONCLUSION**

According to the information obtained, O'Connell Landscape follows Notice of Applications regulations Section 6618(b) of the California Code of Regulations and the residents of Ladera Ranch have prior notice of all possible pesticide applications and locations. The residents of Ladera Ranch are informed that the clubhouse located at 1 Daisy Street in Ladera Ranch has postings of all possible pesticide applications and is accessible to all residents of Ladera Ranch.

The Orange County Agricultural Commissioner's office has received complaints regarding pesticide applications from several Ladera Ranch residents for several years to the current 2021 year. The Orange County Agricultural Commissioner's Office has stated to residents that O'Connell Landscape is a licensed Pest Control Business through the California Department of Pesticide Regulation and applies products that are registered for use in California. Several residents of Ladera Ranch have communicated to the Orange County Agricultural Commissioner's Office that they would like no pesticides to be applied in Ladera Ranch. However, the Orange County Agricultural Commissioner's Office has stated to the residents that have called that O'Connell Landscape is a licensed Pest Control Business and is applying legally registered pesticide products and all laws and regulations are followed. The Orange County Agricultural Commissioner's Office has stated to the residents that have called regarding no pesticides to be applied in Ladera Ranch that is a subject between the residents and the Homeowner's Association.

No violations of FAC or CCR found.

### **Background Information:**

On June 01, 2020 the Orange County Agricultural Commissioner's Office received an Incident Report from the California's System for Pesticide Incident Reporting (CASPIR) which states the Reporter has chosen to remain anonymous. The CASPIR Incident Report states, O'Connell was spraying chemicals.

### **Violations:**

No violations of FAC or CCR found.

### **Investigations and Statements:**

On May 11, 2020 at 11:54am Agricultural Inspector Abel Castillo with the Orange County Agricultural Commissioner's Office went to the Homeowner's Association for Ladera Ranch which is Ladera Ranch Maintenance Corporation (LARMAC) located at 1 Daisy Street in the city of Ladera Ranch. Inspector Castillo observed Notice of Pesticide Application posting for the Month of May, 2020 by O'Connell Landscape. Attachment 1 is a copy of the Notification of Application for O'Connell Landscape witnessed by Inspector Castillo which states the location areas where pesticides will be possibly applied, dates of the possible pesticide applications, what pesticides will be possibly be applied and precautions to be observed. The LARMAC clubhouse also maintains binders with pesticide labels that O'Connell Landscape could possibly apply which is accessible to all residents. The residents of Ladera Ranch have access to the posting and can access the clubhouse to see what pesticides will possibly be applied, the dates of the possible pesticide applications and where the pesticides will possibly be applied. The pesticides applied by O'Connell Landscape do not require signs to be posted.

O'Connell Landscape is a licensed Pest Control Business with the California Department of Pesticide Regulation license number 30193 and is located at 23091 Arroyo Vista in the city of Rancho Santa Margarita. O'Connell is registered with the Orange County Agricultural Commissioner's Office to conduct pest control in Orange County. O'Connell Landscape uses pesticides that are registered for use in California and follows all laws and regulations applicable.

On June 2, 2020 at 12:14pm Inspector Castillo visited the clubhouse at Ladera Ranch and observed the Notification of Pesticide Application updated for the month of June, 2020. Attachment 2 is a copy of the Notice of Pesticide Application posted for O'Connell landscape for the residents in Ladera Ranch.

### **CONCLUSION**

LOCATION/SUBJECT  
ANONYMOUS

---

According to the information obtained, O'Connell Landscape follows Notice of Applications regulations Section 6618(b) of the California Code of Regulations and the residents of Ladera Ranch have prior notice of all possible pesticide applications and locations. The residents of Ladera Ranch are informed that the clubhouse located at 1 Daisy Street in Ladera Ranch has postings of all possible pesticide applications and is accessible to all residents of Ladera Ranch.

The Orange County Agricultural Commissioner's office has received complaints regarding pesticide applications from several Ladera Ranch residents for several years to the current 2021 year. The Orange County Agricultural Commissioner's Office has stated to residents that O'Connell Landscape is a licensed Pest Control Business through the California Department of Pesticide Regulation and applies products that are registered for use in California. Several residents of Ladera Ranch have communicated to the Orange County Agricultural Commissioner's Office that they would like no pesticides to be applied in Ladera Ranch. However, the Orange County Agricultural Commissioner's Office has stated to the residents that have called that O'Connell Landscape is a licensed Pest Control Business and is applying legally registered pesticide products and all laws and regulations are followed. The Orange County Agricultural Commissioner's Office has stated to the residents that have called regarding no pesticides to be applied in Ladera Ranch that is a subject between the residents and the Homeowner's Association.

No violations of FAC or CCR found.

DATE OF OCCURRENCE  
06/10/2020

### **Background Information:**

On June 10, 2020 the Orange County Agricultural Commissioner's Office received an Incident Report from the California's System for Pesticide Incident Reporting (CASPIR) which states the Reporter Name [REDACTED] The CASPIR Incident Report states, man spraying chemicals without signage and wind blowing in my direction.

### **Violations:**

No violations of FAC or CCR found.

### **Investigations and Statements:**

On May 11, 2020 at 11:54am Agricultural Inspector Abel Castillo with the Orange County Agricultural Commissioner's Office went to the Homeowner's Association for Ladera Ranch which is Ladera Ranch Maintenance Corporation (LARMAC) located at 1 Daisy Street in the city of Ladera Ranch. Inspector Castillo observed Notice of Pesticide Application posting for the Month of May, 2020 by O'Connell Landscape. Attachment 1 is a copy of the Notification of Application for O'Connell Landscape witnessed by Inspector Castillo which states the location areas where pesticides will be possibly applied, dates of the possible pesticide applications, what pesticides will be possibly be applied and precautions to be observed. The LARMAC clubhouse also maintains binders with pesticide labels that O'Connell Landscape could possibly apply which is accessible to all residents. The residents of Ladera Ranch have access to the posting and can access the clubhouse to see what pesticides will possibly be applied, the dates of the possible pesticide applications and where the pesticides will possibly be applied. The pesticides applied by O'Connell Landscape do not require signs to be posted.

O'Connell Landscape is a licensed Pest Control Business with the California Department of Pesticide Regulation license number 30193 and is located at 23091 Arroyo Vista in the city of Rancho Santa Margarita. O'Connell is registered with the Orange County Agricultural Commissioner's Office to conduct pest control in Orange County. O'Connell Landscape uses pesticides that are registered for use in California and follows all laws and regulations applicable.

On June 2, 2020 at 12:14pm Inspector Castillo visited the clubhouse at Ladera Ranch and observed the Notification of Pesticide Application updated for the month of June, 2020. Attachment 2 is a copy of the Notice of Pesticide Application posted for O'Connell landscape for the residents in Ladera Ranch.

### **CONCLUSION**

According to the information obtained, O'Connell Landscape follows Notice of Applications regulations Section 6618(b) of the California Code of Regulations and the residents of Ladera Ranch have prior notice of all possible pesticide applications and locations. The residents of Ladera Ranch are informed that the clubhouse located at 1 Daisy Street in Ladera Ranch has postings of all possible pesticide applications and is accessible to all residents of Ladera Ranch.

The Orange County Agricultural Commissioner's office has received complaints regarding pesticide applications from several Ladera Ranch residents for several years to the current 2021 year. The Orange County Agricultural Commissioner's Office has stated to residents that O'Connell Landscape is a licensed Pest Control Business through the California Department of Pesticide Regulation and applies products that are registered for use in California. Several residents of Ladera Ranch have communicated to the Orange County Agricultural Commissioner's Office that they would like no pesticides to be applied in Ladera Ranch. However, the Orange County Agricultural Commissioner's Office has stated to the residents that have called that O'Connell Landscape is a licensed Pest Control Business and is applying legally registered pesticide products and all laws and regulations are followed. The Orange County Agricultural Commissioner's Office has stated to the residents that have called regarding no pesticides to be applied in Ladera Ranch that is a subject between the residents and the Homeowner's Association.

No violations of FAC or CCR found.

COUNTY OF OCCURRENCE  
Orange

DATE OF OCCURRENCE  
06/17/2020

### **Background Information:**

On June 17, 2020 the Orange County Agricultural Commissioner's Office received an Incident Report from the California's System for Pesticide Incident Reporting (CASPIR) which states the Reporter Name [REDACTED]. The CASPIR Incident Report states, worker spraying and no signs visible.

### **Violations:**

No violations of FAC or CCR found.

### **Investigations and Statements:**

On May 11, 2020 at 11:54am Agricultural Inspector Abel Castillo with the Orange County Agricultural Commissioner's Office went to the Homeowner's Association for Ladera Ranch which is Ladera Ranch Maintenance Corporation (LARMAC) located at 1 Daisy Street in the city of Ladera Ranch. Inspector Castillo observed Notice of Pesticide Application posting for the Month of May, 2020 by O'Connell Landscape. Attachment 1 is a copy of the Notification of Application for O'Connell Landscape witnessed by Inspector Castillo which states the location areas where pesticides will be possibly applied, dates of the possible pesticide applications, what pesticides will be possibly be applied and precautions to be observed. The LARMAC clubhouse also maintains binders with pesticide labels that O'Connell Landscape could possibly apply which is accessible to all residents. The residents of Ladera Ranch have access to the posting and can access the clubhouse to see what pesticides will possibly be applied, the dates of the possible pesticide applications and where the pesticides will possibly be applied. The pesticides applied by O'Connell Landscape do not require signs to be posted.

O'Connell Landscape is a licensed Pest Control Business with the California Department of Pesticide Regulation license number 30193 and is located at 23091 Arroyo Vista in the city of Rancho Santa Margarita. O'Connell is registered with the Orange County Agricultural Commissioner's Office to conduct pest control in Orange County. O'Connell Landscape uses pesticides that are registered for use in California and follows all laws and regulations applicable.

On June 2, 2020 at 12:14pm Inspector Castillo visited the clubhouse at Ladera Ranch and observed the Notification of Pesticide Application updated for the month of June, 2020. Attachment 2 is a copy of the Notice of Pesticide Application posted for O'Connell landscape for the residents in Ladera Ranch.

### **CONCLUSION**

PR-ENF-127A

LOCATION/SUBJECT

PRIORITY/WHS.NO.

OTHER ID NO.  
2020-0040

COUNTY OF OCCURRENCE  
Orange

DATE OF OCCURRENCE  
06/17/2020

According to the information obtained, O'Connell Landscape follows Notice of Applications regulations Section 6618(b) of the California Code of Regulations and the residents of Ladera Ranch have prior notice of all possible pesticide applications and locations. The residents of Ladera Ranch are informed that the clubhouse located at 1 Daisy Street in Ladera Ranch has postings of all possible pesticide applications and is accessible to all residents of Ladera Ranch.

The Orange County Agricultural Commissioner's office has received complaints regarding pesticide applications from several Ladera Ranch residents for several years to the current 2021 year. The Orange County Agricultural Commissioner's Office has stated to residents that O'Connell Landscape is a licensed Pest Control Business through the California Department of Pesticide Regulation and applies products that are registered for use in California. Several residents of Ladera Ranch have communicated to the Orange County Agricultural Commissioner's Office that they would like no pesticides to be applied in Ladera Ranch. However, the Orange County Agricultural Commissioner's Office has stated to the residents that have called that O'Connell Landscape is a licensed Pest Control Business and is applying legally registered pesticide products and all laws and regulations are followed. The Orange County Agricultural Commissioner's Office has stated to the residents that have called regarding no pesticides to be applied in Ladera Ranch that is a subject between the residents and the Homeowner's Association.

No violations of FAC or CCR found.
