

Our journey began in at Burning Bush Baptist Church (Ringgold, GA), where we first came together to lead worship and discovered a shared passion for music that uplifts and inspires. The band was officially created in November of 2024 but we have been playing together since 2020.

**Our mission is to share the love of Jesus through melodies that touch the heart and lyrics that speak truth.**

We bring a fresh take to traditional hymns, blending the rich sounds of gospel, bluegrass, and folk to create a style that is both timeless and unique.
