

Tuesday Morning Single League

Rules

1. You will play with a different partner by schedule and play 9 holes every week
2. We will play best ball format and everyone will hit from the gold tees.
3. Each player will use 4 drives on tees 1-8 and on the 9th hole use either one. Both hit drives but remember each player must use 4 drives each, so if you want you can use your drive the first 4 holes but on the next 4 the other player has to use his or hers. So pick anyway you want to do it. One player can use 5 drives anywhere 1-9.
4. A total of 18 point per week 2 points per hole. If you and your partner win the hole you will both get 1 point each. If you tie the hole everyone gets 1/2 point each.
5. Cost per player for league will be \$30 and \$20 for closest to pin on number 2 and 7.
6. If your partner does not show up you play the other teams alone and only play one ball.
