

# KNIGHTS OF COLUMBUS Connecticut State Council

## GET YOUR COUNCIL INVOLVED!

### 2022 Campaign for People with Intellectual Disabilities (Tootsie Rolls Drive or other fundraising)

*“How Sweet It Is To Help...”*

### Remember the lesson on “Charity”

- The Knights of Columbus is known for its commitment to people with intellectual disabilities.
- This is an example of Charity, the founding principal of the Order, and also our commitment to value all human Life.
- Special Olympics, special needs schools, Columbiettes Campership and other programs depend on our help.
- Many councils participate in the annual “Tootsie Roll Drive” Program, but your council can use other methods to fundraise too.
- This is an easy program:
  - Find a good location (Church, Store, Bank, Supermarket).
  - Request permission.
  - Obtain materials. Contact CPID Chairman.
  - Get volunteers to staff the site and solicit donations.
  - Have information on the program and who it benefits.
  - Send donations to Chairman with forms.
- You might be surprised at how generous people will be.
- This an excellent event for members to involve their families. Having children and wives involved often increases success!
- Your council designates the recipient(s) of 80% of the funds raised. The other 20% is used to make the annual State Council donations to Special Olympics, Columbiettes Campership and other programs.
