REPORT OF THE STATE WARDEN

April 24th, 2026

Serving The Founder State as State Warden this year has been an honor and a privilege. I have enjoyed working with all the State Officer's, their families, State Staff and their families, Past State Deputies and their spouses, Supreme Officers, District Deputies and their spouses. It is an incredible experience working with councils and brother knights from around the state. I would like to thank all of the councils for their hospitality at council meetings and for their hospitality towards my wife and I at council events. Below is a summary of some items that were accomplished this fraternal year followed by a current inventory of items in my possession.

- State Council storage has been inventoried and organized. New metal shelving was installed
- New black suitcases (2) were acquired to transport and store items.
- Two large roller bins have been acquired to transport and store items.
- Each State Officer has been given a pop-up banner and tablecloth with the State logo for use at Knights events

I am looking forward to continuing to serve the Founder State in the coming year and working with brother knights and their families across the state.

Respectfully Submitted,

Jeffrey Dussetschleger

State Warden
