The chairperson for the 2025 State Council Raffle reported the following to State Deputy

Total number of tickets sold – 6,026.

Total Receipts -                 \$ 60,260.00

Less Expenses:

Prizes	\$ 15,000.00
Printing	\$     635.00
Permits	\$     75.00
<u>Postage/supplies</u>	<u>\$    111.98</u>
Total Expenses	\$ 15,821.98

Net Profit	\$ 44,438.02

The State Raffle not only helps the State Council, but it equally helps every Council that participates. The more tickets sold, the higher the rebate can be.

I would like to take this opportunity to thank the Councils for their overwhelming support of this program. A special thanks for the number one selling Council 15 years straight, Council 5066 in Southbury who sold 651 tickets this year a new record.

Fraternally yours,

State Secretary  
Michael Gimmelli
