**(Buyer Name),**

**I cc'd Tim Fox on this email. Tim writes for Carnegie Insurance, our in-house company. They are appointed with 15 major carriers and have provided many buyers great pricing, as well as the proper coverage. You can use whomever you want.**

**Most important, he gets me a Claim History report on the house showing claims made over the past 7 years. If need be, we can then provide this to the home inspector to make sure the claims were fixed properly.**

**In order for Tim to email you quotes, he may need to briefly speak to you to get answers to a couple questions. Tim's phone number is 201-419-5000. Tim, if you need to speak with (Buyer), it's (Insert Phone # Here)**

**Thanks all,**
