

# **Making Moves Dance Company, LLC**

## **September Newsletter**

# **WELCOME!**

We would like to welcome all our students, parents, & families to our Making Moves dance family! We are looking forward to spending our third year with everyone and making it an amazing year together. I would like to remind everyone of some very important rules as we begin our dance season:

Due to COVID this year will start off a little different. We will be doing temperature checks on every child and staff member that enter the studio. All students must sanitize hands before and after they enter a classroom. Hand sanitizers are provided by the studio and are located inside the dance room doors for use. All classes will end 5-10 min early during COVID and Flu season so the staff can properly clean and sanitize all equipment before the next class starts. NO parents or siblings will be allowed to sit in the lobby until the governor lifts restrictions. Parents may come in to make payments or speak to the office only. We ask that if your child has ANY cough, fever, nausea, vomiting or other symptoms of COVID/FLU that you keep them home and email/call the studio to let us know they will not be at dance. We would rather parents be over cautious at this time.

Installments are due by the 1<sup>st</sup> of every month! September Installment is due the first week of class if you are not on automatic payments, which were drafted September 1, 2020.

Costumes installments are due in FULL no later than November 13, 2020 by CASH or CHECK ONLY. You may pay these in advance, but they must be separate from tuition installments. Please see office if you have any questions.

Make sure to check our studio facebook page/emails frequently for updates and studio closings! We follow the City of Colonial Heights school closings for all weather-related closings and major holidays. Please join our MMDC Dancers & Parents 2020-2021 Facebook page if you have not already.

Monthly Newsletters will be placed in the lobby below the calendar, emailed and placed onto our website at the beginning of each month. These newsletters have very important information, so please make sure you get one each month. If you are not getting our emails, please contact the studio office.

Please make sure that you check our dress code which you can find on our website at [www.MMdancecompany.com](http://www.MMdancecompany.com) and in your 2020-2021 Company Handbook (given at registration) to insure that your child is prepared for each class with the proper shoes and attire. The handbook also has lots of important info along with important dates.

There are no drink, food/gum, or cell phones in the dance rooms at any time, they must remain in the lobby. Water is the only exception. At this time water fountains are to only be used to fill water bottles not for individuals to drink from.

MMDC attire and jackets are currently on sale! You can get an order form from the office.

We will be having our final competition evaluations and parent meeting Friday September 18, 2020 at 6:30pm. The month of October the studio is also planning a pink out breast cancer awareness week & Halloween dress up week which you will get more information on in the October newsletter.

Thank you for your cooperation so that we can make our dance environment a safe and pleasant place for our dancers, parents, & staff at all times. We are beyond excited to get this year started with our amazing dance family because we know it will be the best one yet!

If you need to contact the studio please call us at 804-894-8431 or email the studio at [Dancemmdc@gmail.com](mailto:Dancemmdc@gmail.com)

Thank you,

*Ashley & Staff*
