

Domestic Violence Prevention **Live Announcer Copy**

“Teach Early” :30

Did you know that the best way to prevent domestic violence is by stopping it before it starts? Talk to the boys in your life before their ideas about relationships with women are shaped. Boys won't approach you. We need to teach them that violence against women is wrong. Teach Early. To find out how you can help, visit www.endabuse.org. This message has been brought to you by the Family Violence Prevention Fund and the Ad Council.
