

BRIDGE BUILDER PROGRAM

The JEB Jr. Enrichment Center partnered with The Rajon Rondo Foundation in November 2020 to create the Rajon Rondo Learning Center for Teens, a space within the Enrichment Center dedicated to teenagers. To help fund the Enrichment Center and services offered, we created the Bridge Builder program with several ways to get involved.

Our hope is that with additional funding this program will provide a safe and positive environment for teens with academic programs allowing students to speak freely, think critically and become responsible, global citizens.

The Bridge Builder program will help make offerings like these a possibility:

- ▶ **Mental Health Counseling:** Mental health counselors will be available for students and parents
- ▶ **Educational Support:** Partnerships with educators for tutoring and supplemental help
- ▶ **Life Skills Classes and Workshops:** Civic and community engagement, support with time management, financial literacy, communication, etc.
- ▶ **Female Empowerment Group**
- ▶ **Community Connections**
- ▶ **JCPS support**

Each individual who contributes will receive a wall brick in their name placed in the Enrichment Center lobby to symbolize the protection and support this organization provides to students.
