

Internship Opportunity (paid)

In need of a public relations, marketing, social wunderkind

who can promote our vision to the masses. Especially to the documentary series arena.

Beautiful Self influences and inspires - now we need to virtually grow !

What you'll do:

- Work with the Beautiful Self team to manage day-to-day social media content, engagement, and community,
- Maintain an ongoing presence and conversation with our community across platforms
- Manage and execute promotions across all social platforms while developing a partnership pipeline and managing relationships with partners

Who you are:

- Available for INTERNSHIP March 2020 - July/August 2020
- Previous internship experience is encouraged but not required
- Comfortable crafting social media posts and posting on social media
- Live and breathe social 'gram, you tube, facebook, & beyond
- Witty, obsessed with trends and culture, and a conversation starter
- Work with a "no task is too small" attitude
- Are never satisfied with the status quo and always thinking "how can we do this better?"
- Sensitive to our mission of Empowering Breast Cancer Survivors to Take Back their Lives.

Where you'll be:

Available to work remotely or on site when in session or building social bank
The Art Factory Studio 70 Spruce Street Paterson (safe secure parking)

Beautiful Self is a non profit that Empowers Breast Cancer Survivors to Take Back Their Lives. We are a visual local charity that serves women from the metropolitan area and beyond. Piloted by two founders, Beautiful Self has emerged as a unique service using photo therapy as a portal for deep core transformation.

We produce two you tube / facebook / instagram series based on the content of our subjects and supporters. In need of a public relations, marketing, social wunderkind who can promote our vision to the masses. Especially to the documentary series arena. Beautiful Self influences and inspires - now we need to virtually grow !
