

HEALTH & WELLNESS: FINANCES FOR LAW ENFORCEMENT

A one-day (0.7 CEU) performance-focused training

CORE COMPETENCIES

UPPER MOHAWK, INC. (UMI) is a federally accredited Woman-Owned Small Business (WOSB) under the 8(m) Federal Small Business Program and a State of Florida-certified Woman-Owned Small Business. UMI's Training Division has extensive experience creating customized training solutions, as well as providing a broad course catalog for government agencies and private organizations.

WHAT IS THIS COURSE?

Our 8-hour Health & Wellness: Finances for Law Enforcement Personnel course is designed to strengthen financial fitness and build a solid foundation for money management. Participants will learn how to create and use a spending plan, understand credit reports and credit scores, and recognize the impact financial stress can have on overall well-being.

This course equips participants with essential, real-world tools to effectively manage financial challenges in both personal and professional settings.

Free for Florida law enforcement personnel. Funded by the United States Law Enforcement Foundation in partnership with the State of Florida.

Upper Mohawk Inc. is pleased to provide a complimentary lunch for all Law Enforcement Personnel attending the course.

COURSE FOCUS

- Build and maintain a practical budget
- Learn essential financial tools
- Understand and improve your credit score
- Recognize compulsive debt habits and available support resources
- Understand compound interest and its impact on your financial future
- Discover the benefits of investing for retirement
- Understand 401(k) benefits for long-term financial security
- Understand bankruptcy and alternatives
- Identify financial stress and its effects at home and on the job

WHY THIS COURSE MATTERS

This training delivers real-world financial skills Law Enforcement Personnel can use right away to reduce stress and improve financial stability. By addressing the connection between money management, family dynamics, emotional triggers, and job performance, the training strengthens both personal stability and mission readiness.
