

Nativity Lutheran Church **Weeki Wachee**

Nativity Lutheran Church is the only ELCA Church in Hernando County that has chosen to openly welcome the LGBTQIA+ community and commit itself to racial justice. We are a very welcoming congregation that declares each week: “with the birth of Jesus in our hearts we carry light and love to the world.” Our vision is to work as a supportive family of faith to extend God’s gracious welcome through worship, community service, and spiritual growth opportunities. Our services are live-streamed each week and are available from our website: www.nlcww.org.

Lutherans **For Love**

Four Churches Where
There is a Place at
God’s Table for You!

St Mark Lutheran Church Dunedin

At St. Mark, our mission is "Boldly Sharing God's Love and Grace;" we invite you to join in our work for peace and justice in the world. Our church believes that LGBTQIA+ lives are sacred, and we advocate for the full inclusion and rights of all our siblings. We have monthly Outdoor Sunday School for PreK - Middle School youth. We meet in local parks and share together in a time of learning and fellowship. Our church also offers online and in-person adult learning opportunities. We are vibrant and growing and we have a variety of opportunities for learning, service, and spiritual growth.

St Paul's Lutheran Church Clearwater

St. Paul's was one of the first Lutheran congregations to publicly commit to welcoming the LGBTQIA+ community. Our understanding of our call to unity among diversity has grown over the years. We now gather and worship at St. John's Episcopal in Clearwater, where we are the ones who have been welcomed! Our discernment has led us to see that we are called to provide a safe place of welcome and compassion for those who have been alienated from God and the Church. We believe that an experience of God's loving presence surrounded by the fellowship of a community speaks louder than words.

Trinity Lutheran Church St Petersburg

At Trinity, we are committed to creating a diverse community of faith that allows for the sharing of opinions, questions, and doubts. We provide opportunities to grow in faith, in understanding, and in awareness, so that together we can serve God and serve our neighbor. Trinity has been a part of St Petersburg for more than 100 years; we offer traditional worship with a progressive understanding of scripture and its relevance to our 21st-century lives, as well as opportunities to make a difference.
