Soul Injury® Workshop

Saturday, August 16, 2025

8:30 AM - 4:30 PM

Provided by: Opus Peace Non-Profit Organization

Sponsored by: St. Petersburg College

6CE's for Nurses and Counselors

A Soul Injury is a wound that separates you from your real self. Your “real self” not only includes the “best version” of yourself; it includes the worst version and everything in-between.

Soul Injury is caused by:

- Unmourned loss and hurt
- Unforgiven guilt and shame
- Fear of helplessness and loss of control

This experiential workshop provides you with presentations and tools to help you move from:

- Being ashamed of not being good enough to releasing fears of who you are and who are your not.
- Numbing your pain to mourning your emotional pain.
- Hiding your guilt to using your guilt to learn how to forgive yourself and others.
- Controlling things you have no control over, to letting yourself feel your helplessness and loss of control.

This is a free event. Lunch will be provided
