CHRIST CHILD ACADEMY BASKETBALL TOURNAMENTS

Here are some of the recent comments we have received from teams that have played in our tournament in the past:

“Over the weekend I participated in my 8th Christ Child Academy tournament. For those of you who aren't familiar with it, the CCA tournament is a 'gem' of a tournament right in our backyard for 5th through 8th grade teams.

We've found that it to be a perennial favorite for the kids due to:

- An appropriate level of competition for a small school like Kohler*
- A nice gym that has adequate seating but gets very loud – especially during tight games.*
- Free throw and 3-point contests - with team and individual competition formats.*
- Pre-game announcements for all kids.*
- Designated locker room space for pre-game and halftime communication.*
- An extremely well-organized event in general, (they've been doing it for over 30 years).*

I'd highly suggest including CCA in your future tournament plans.”

Steve Zielke - Kohler

“Thanks for an extremely well run tournament. We have played in many over the last few years and would say the CCA was one of the best run.

The little touches (introducing each kid, letting the kids use the locker rooms, free throw contest) made the kids feel special - they enjoyed the environment.

I know this was a lot of effort by you and your team and the outcome was great.

You can count Howards Grove in for next year.”

Thanks

Steve Gozdziwski - Howards Grove
