

Kitsap County Medical Society Foundation

~ Holiday Sharing Card Fundraiser~

The Holiday Sharing Card is produced, printed and mailed in December and it is the Medical Society Foundation's primary fundraiser to benefit our charitable outreach in Kitsap County. The card is printed and mailed to 650 KCMS members and our business supporters. All contributors are listed inside the card and in our Communique.

We appreciate your consideration with support of our non-profit as we know you have a lot of choices. If you are looking for a 100% tax deductible donation before the new year, please donate to the Sharing Card! It helps your community, and it helps you and your business by saving money and time with not sending your own individual cards during the holidays to the medical community and beyond.

We support drowning prevention at Kitsap lakes, AED's and training for rural golf courses and community centers, holiday wishes for foster children, homeless shelters, and our long-standing support of medical education scholarships in memory of Erna Streich, Patricia Anderson and Bob & Jackie Bright

Participate by November 20th, and you will be entered in a raffle drawing on Dec 6th for a chance at several prizes that include sporting event tickets, gift baskets, gift certificates, free ads with KCMS and more!

Tiered Levels of Support

☐ SILVER (your name included inside the card)	\$50.00 - \$99.00
