If you have items you would like to sell, it is a 50/50 split, meaning 50% of the sale price goes to the seller and 50% to the KCMS Foundation. If interested in selling items, it requires following a pricing system of using index cards as your sticker price for each item sold. An example of an index card is provided below. Selling also requires delivery and set up of your items on Friday March 28th between 4pm – 6pm and requires that you help clean up and collect any of your unsold items on Saturday March 29th by 4pm.

Please let us know by email or phone by March 15th if you plan to sell items so we have space planned for your items.

kcmsmed@gmail.com or 360.689.2928

If you are not interested in selling, we welcome you to swing by the sale on Saturday to hunt for treasures!

Below is an example of how each item needs to be written up on an index card. All seller items are combined with other seller's items in one big room, so you will not have your own section. The index cards keep all transactions organized by seller's name.

Seller's will be paid at the close of the sale after cleanup.

Please pin cards to clothing and tape cards to items.

Prices on each card are considered firm.

Price: \$5.00

Item: Nike men's shoes size 10

Seller Name: J. Doe
