A DAY AWAY

DECEMBER 6, 2021

Come join the Freedom Drivers 4 Veterans for A Day Away. Our first trip this year will lead us to Deland, Florida to tour the Stetson Mansion all decorated for the holidays, with an interesting stop on the way.

We will leave at 8:30 from the Winn Dixie parking lot in Wauchula. Our first stop will be for a coffee break at the Yalaha, Florida. There is a quaint bakery that specializes in pastries and baked goods, breakfast drinks with a side of German specialty items. There is plenty of room on the bus for anything you would like to purchase. A great place for lunch or you can wait until our next stop. Our next stop will be Mount Dora. You will have time to roam the streets lined with many unique shops. Great restaurants are available for your lunch.

Remember, we have storage for your purchases.

The 1886 Stetson Mansion is Florida's most historic home ever built in Florida before 1900. It was built by for the famed hat maker John B. Stetson. It will be decorated for Christmas in all its glory. The Stetson Mansion had one of the first trees ever illuminated with electric lights. That's what you get when Thomas Edison is your bff! We leave for home with Christmas in our hearts and minds.

Maxie Harold "Max" Carter

Maxie Harold 'Max' Carter, 87, of Arcadia, Florida was born May 26, 1934 in Sycamore GA. He learned to work hard and play hard in Depression Era rural Georgia. He split his childhood between getting into mischief with his brothers and working to support his family. When he was just 17, he traded the red Georgia clay for the blue waters of the US Navy. During one of his early assignments, he met his future wife, Alice Bowe, a naval teletype operator from Charleston WV. In those days, women who married were honorably discharged from the service, so she left the Navy to care for the first of eventually four children.

Max continued to serve and rose in rank from Seaman Recruit to Master Chief Petty Officer to Lieutenant. When he retired from the Navy, he said he wanted his kids to have a

hometown, so they loaded up their four kids, two cats, and a dog in a motor home and headed east from California to find one. The trip was memorable and not just for the experience of having the air conditioner blow out in Needles CA, the hottest city in the US. Once they found and settled in Arcadia FL, he worked as a radio operator for the Florida Highway Patrol before retiring again and opened a real estate business. He was a firm believer in hard work and taking care of his family and always set a good example in that department. When grandchildren came along, he was always delighted to see them and play with them.

He entered rest on November 15, 2021 and is survived by Alice and his three sons, Michael Carter (Lavenia Horton Carter), Marcus Carter (Liesl Raderer Carter), Monte Carter (Valerie Skinner Carter), granddaughters Kristen Riley, Megan Riley, and Esme Carter and grandson Maxwell Carter and great grandson Riley Owen. He was predeceased by his daughter Michelle, it was the toughest thing he ever endured. Alzheimer's and dementia dimmed his later years but even when memories were difficult, his eyes would still light up with joy when he saw his grandkids. He lived life well

and will be missed.

The family will celebrate his life privately and inurnment will be at Joshua Creek Cemetery.

Ponger Kays Grady Funeral Home, Arcadia, FL has been entrusted with arrangements. Please visit the online tribute to Max at the funeral home's website; www.pongerkaysgrady.com.

Sandra was a beloved

wife, mother, grandmother. She was an excellent equestrian, bridge player and civic community leader. She will be remembered as an empathetic, loving, adventurous, active, a take charge, get it done person. She was a conscientious, understanding and intelligent lady. Sandy was very active in the communities in which she lived. She was a member of the Rotary Club of Arcadia, a choir member of her northern church, a member of the First Baptist Church of Arcadia, a member of the DeSoto County Education Foundation and was a charter member of the Arcadia Centennial Lions Club. Things Sandy enjoyed; horses, dogs, children, playing mahjong and traveling.

If one had to choose the "essence" of Sandy, we would say, "She Served". Sandy's service to her family started at a very young age when her mother contracted a painful, protracted, and eventually fatal cancer. She served her whole life. Her children were lifelong beneficiaries. That love and service extended beyond her family, her consistent loving concern for children surfaced in many ways at many places throughout her life. Health and financial problems limited her reach at times, but the empathy, the helpful partner, the caring character were

always present.

The Rotary motto "Service above Self" illustrates why she was active locally in that civic service club. She always believed in Rotary's Four Way Test even before she could quote it.

The Four-Way Test, of the things we think, say or do;

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

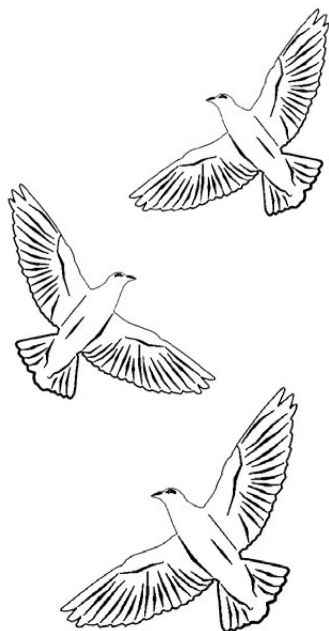

She is survived by her husband, John Olin of Arcadia, FL; children, Jay (Terri) Whitaker of Cincinnati, OH, Brian (Teresa) Whitaker of West Chester, OH, Arthur (Carrie) Whitaker of Avon, OH, Emily (Geoff) van de Merwe of Simpsonville, SC and Christopher (Tiffany) Olin of Twinsburg, OH; grandchildren, Christina Whitaker, Nick Whitaker, Harrison Freeman, Hayley van de Merwe, Luke van de Merwe, Heather Engstrom, Charles Tripp, Steven Tripp, Elizabeth Jordan and Katie Adams; six great grandchildren, brothers, Dick Sauer of Fountain Hills, AZ, Tim Sauer of Scottsdale, AZ and Hank Sauer of San Francisco, CA as well as 16 nieces and nephews. She was predeceased by her parents, her first husband, Jack Whitaker and her

brother Alan Sauer.

In lieu of flowers, donations in Sandy's memory may be made to the DeSoto County Educational Foundation, PO Box 1903, Arcadia, FL 34265 or by visiting their website at www.desotoeducationfoundation.com

A Celebration of Life Service will be held at 2:00pm, Saturday December 4, 2021 at the Toby's RV Park's Community Hall, 3550 NE Highway 70, Arcadia, Florida 34266. The family will also have a Celebration of Life Service in Ashland, Ohio at a later date.

Ponger Kays Grady Funeral Home, Arcadia, FL has been entrusted with arrangements. Please visit the online tribute to Sandy at the funeral home's website; www.pongerkaysgrady.com.

CHAPTER 28

I hadn't been sitting there very long when dad starts, son, where have you been? I look over at Larry's dad and he is looking straight at me. I began with what do you mean dad, I have been with Alley. I know that son, but where have you two been? I am about to freak out. To me, there is no doubt that Larry's dad had told them all about what Larry, Alley and I had done. If I admit that we were in the caves, I will never be allowed to go down there again. I might not even get to see Alley again. For sure I wouldn't be allowed to go to the tree house. What am I supposed to say now? Words would not come out. I look at mom as if to plead for help, nothing. I look at dad and then Larry's dad, back and forth for a minute then open my mouth to say where we were, and Larry's dad speaks up. Larry tells me you two have been down at your tree house climbing way up in that tree. You know if you fall from there you could get hurt, especially at night, it could be really bad he continued. I can't take my eyes off him. What is he saying? Then he says that he came here to talk to my parents about climbing too high and for us to be more careful, that he was just

concerned about us and didn't want us to get hurt. If there hadn't been a back on my chair, I would have fallen to the floor. Larry's dad sets his coffee cup down on the table, gets up, says his goodbyes, and walks out the door, but before he turns to walk out, he stares right in my eyes. It was only for a half a second, but I knew exactly what it meant. I was busted. Mom and dad gave me the whole safety thing and I went up to bed. While they were talking, all I could think was that they are not going to let me go to the tree house again, but they didn't and so for now, I was safe. Mom and dad had never really yelled at me anyway, but I sure have had some serious conversations about what might happen if I didn't heed to their warnings. Going to bed wasn't going to be the problem, going to sleep was the issue, with all I had to think about. My head was about to explode with questions. Like why did Larry's dad come to my house anyway, and why didn't he tell on us? He was there, he knows what we did. Did he go to Alley's house too? If he did, what did he tell them? By now, I was sure that I wasn't going to get any sleep. I got back up and started writing the questions in my notebook. The questions were coming to me faster that I could write them down, so many. But who would answer

these questions, Alley, Larry, who? All night I sat there, trying to figure some out on my own. The idea came to me that maybe Larry's dad didn't want anybody else to know about those caves, maybe he wanted to keep all that stuff a secret. But would that mean that he had to kill me? Could all these caves be important enough to kill for? Right now, he thinks that besides Larry and Alley that I am the only one that knows the secret. Maybe he thinks that I will keep my mouth shut. I will, I will. But does he know that? Is he going to give me the time to tell him? The chance to let him know that their secret is safe with me. Wouldn't Alley tell him I could be trusted? Would she tell him? No, no sleep for me. Some time I guess I fell asleep because mom was calling me for breakfast, and I was still asleep. I got up and tried to seem normal, but I was far from normal. I ate my breakfast and headed for the bus stop. Maybe seeing Alley would make me feel better. As I turn out of my drive heading for the bus stop, I see Alley waiting for me there. Who is that standing beside her? My stomach sank right to the ground. I know who it is, I thought, it's Larry's dad.
