JUST LISTED!

Check out this breathtaking piece of land! Properties like this do not come available often! This land is fenced and features beautiful trees along with a gated entrance! The property is zoned A-5 which means you can bring your farm animals and build the home and barn of your dreams. Start a mini-ranch or plant an orchard! Situated on the East side of Arcadia, access to town will be a breeze and you'll still be able to enjoy quiet evenings and views of the stars! There is an existing well on the property however the condition is unknown. Please verify with DeSoto County Building and Zoning to make sure this property fits your desired use!

VACANT LAND LISTINGS!

\$23,900

This .17-acre lot within the city of beautiful Arcadia has been well maintained and is waiting for you! Grand Oak trees stand tall throughout the property providing shade and a dreamy vision of what could be. This neighborhood is full of new builds, and your home is next! Drive by and see the site of your future home today! Please verify with DeSoto County on if this property will allow for your desired use.

\$123,000

Incredible opportunity to build your new construction home on over an acre of land just North of the city limits of Arcadia! This property is amazing! Just wait until you see the new board fencing, three gated entrances, 24x48 garden with sprinklers and a variety of plants including banana plants and hybrid citrus trees. There is a 1350 Ft deep, 4 inch well and electric hook up available at several places of the property. The majestic sprawling trees coat the property in shade allowing just the perfect amount of sunlight to cast rays on your new home! There is plenty of room for an outbuilding, a nice sized house and even a pool! With all of the awesome features this property already has, your home would be a great addition!

\$125,000

Don't miss out on this 5+ acre property in Southern DeSoto County! The property is fenced and has a huge pond. There is already a septic, well and utility pole in place. This would be a great property for a mini farm, a place to keep animals or an orchard/grove! Please verify with DeSoto County Building & Zoning for all questions on possible uses! Come take a peek at this beautiful land. Tucked away at the end of a private road, this may just be the one for you!

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Guess Who?

I am a retired football player born in Tennessee on May 28, 1986. I struggled to find food and shelter as a child. I was adopted by a loving family who helped me start my football career. My life inspired a book and subsequent movie.

OBITUARIES

Earl Wayne “Buddy” Caruthers

Buddy was born August 12, 1944 to Edwin A. “Shorty” Caruthers, Sr. and Imogene (Sanders) Caruthers in Wildwood, Florida and grew up in Sumterville, Florida. He went to be with the Lord on Saturday, May 14, 2022.

Buddy enjoyed anything fast, especially hotrods; he had several and built a few! He loved going to any car race and didn’t pass up a car show. He enjoyed fishing, hunting and spending time with family and friends. Buddy also enjoyed being a volunteer firefighter for a few years.

He worked many years operating heavy equipment and supervising heavy road construction. Later in life, he began a second career closer to his heart;

he began as a mechanic at Desoto Ford in Arcadia FL, then transferred to the local Chevy dealership, then opened Automotive Specialists in Arcadia with his son, Donny. Retiring in 2001 He and Penny moved to Tampa. Buddy and Penny traveled a bit and fished a lot during their retirement.

Buddy is survived by his wife of 59 years, Penny (Donnie Linda Church) Caruthers; children, Donald Wayne “Donny” Caruthers (Cheryl) and Donna Sue Williams (Don); grandchildren, Tyler Caruthers and Catina Paul (Hays); great-grandchildren, Dawsen Paul and Pierson Paul; brother, Ricky Caruthers (Andrea) and numerous extended family and friends who all loved him dearly.

Buddy was laid to rest on Saturday, May 21, 2022.

Visitation & services were held at Fellowship Baptist Church, 13515 U S 301, Thonotosassa, FL 33592

Visitation was 10 – 11am, service started at 11am. Internment followed

at 3pm at Sumterville Cemetery (Sumterville, FL 33585).

In lieu of flowers, donations can be made to the American Heart Association or the American Cancer Society.

**Our Father,
who art in heaven,
Hallowed be thy Name.
Thy Kingdom come.
Thy will be done in earth,
As it is in heaven.
Give us this day,our
daily bread.
And forgive us
our trespasses,
As we forgive them that
trespass against us.
And lead us not
into temptation,
But deliver us from evil.
For thine is the kingdom,
The power, and the glory,
For ever and ever.
Amen.**

While I Breathe I Hope

HOW THE HOLY BIBLE WAS STARTED AND BY WHOM

The holy scriptures are a revelation from God of his plan and purpose for the earth and the human race. Holy men of God wrote as they were moved by the Holy Spirit during a period of 1600 years. The Bible consists of 66 separate books; 39 in the Old Testament and 27 in the New and written by about 40 different authors. The Old and New Testaments cannot be separated. The Old Testament is mainly the history of one nation, Israel. This present age begins with the flood and ends with the return of Christ to the Mt. of Olives.

The flood caused such physical and climatic changes that the length of human life was reduced from 900 to 100 years. The Bible, after its creation, made man in his own image. Eve came into the world from a rib taken out of Adam. On the 7th day from creation, God rested because his work was finished. But God's perfect work was marred by sin by the fall of his creations, man and woman. His Sabbath rest was broken and he had to resume work for the redemption of man that he might become a new creation in Christ Jesus.

Adam and Eve had no conscience before their fall. Conscience is a knowledge of good and evil. Conscience produces fear and anxiety as the world progressed with people being our present age it extends from the flood on the earth to the 2nd state of Christ's second coming, called Revelation. God told Noah and his sons to multiply and replenish the earth. God wanted a Godly race started again. The people turned out evil again with rebellious spirits.

They built the Tower of Babel to reach the sky so God confused their language and scattered them all over the world; Genesis 11: 1-9. Folks, this is why there are so many languages around the world. Each country has their own language which extends into our age. So, Noah's offspring was no different than those before the great flood. Noah was an old man now, over 600 years old. He and his family were to repopulate the earth but evil still continued. Behind them was the flood with all it's warnings. History is showing nothing has changed..

GREEK YOGURT POTATO SALAD

2	pounds potatoes (Yukon Gold or red potatoes)	1/2	teaspoon black pepper
1/2	onion	1/2	teaspoon celery seed
6	eggs	1/2	teaspoon dried dill weed or 1 teaspoon fresh
1	cup plain Greek yogurt	1/2	cup dill pickles, chopped
4	tablespoons sour cream		Paprika, for garnish (optional)
1	tablespoon vinegar		Parsley, for garnish (optional)
2	tablespoons yellow mustard		
3/4	teaspoon salt		

1. Peel and dice potatoes and onions. Put them and a teaspoon of salt in a pressure cooker and cover with an inch of water. Close valve. Set pressure cooker to high pressure. Set timer for 5 minutes, cook and quick release when it's done. Drain potatoes. Cool until just warm. (If you don't have a pressure cooker, boil potatoes in a pot of water on the stove until tender.)
2. Set eggs on a rack in the pressure cooker. Add 1/2 inch of water. Close valve, set to high pressure for 5 minutes. Cook for 5 minutes, quick release, and leave lid closed for 5 minutes. After 5 minutes, take lid off. Drain eggs and cover with ice water to stop the cooking process. Let sit in ice water bath for about 5 minutes, then peel eggs. (If you don't have a pressure cooker, hard-boil eggs according to your favorite recipe.)
3. Add Greek yogurt, sour cream, mustard, vinegar, salt, pepper, celery seed, and dill weed to a large mixing bowl. Stir until smooth. You can taste test to see if you need to add ingredients.
4. Add cooled, diced potatoes, pickles and hard-boiled eggs. Gently stir until potatoes are coated with dressing. Adjust seasonings to taste. Refrigerate for at least 1 hour.
5. Notes: Yukon Gold or red potatoes hold their shape best in potato salad. White distilled vinegar is classic in potato salad, but you also can use cider vinegar, white wine vinegar or even lemon juice.

CHAPTER 11

After a few days, things seemed to settle down at the Oyster House with people coming in and out. The season was gone, but they were still a little busy, time was moving on. Still the Sheriff had not found out who had killed Ronnie. He was given lead after lead, but nothing so far. No one had seen Sue since the funeral. They all wondered if she had left town. Nothing happened for about 6 months and then one day a stranger comes into the Oyster House and asks for Donna. He obviously didn't know who she was, because he asked her where he could find her. She told him that he had found her, that it was her. The stranger seemed to be taken back. Not sure if he thought she should be older, younger or what, but then asked her if he could talk to her for a minute. She said of course and they sat down at a table. Evidently, Ronnie had a large insurance policy that had Sue as a beneficiary, not Donna. The man was from the insurance company and was there

to talk about the claim. Donna is set back and tries to tell the man that she has no idea of why he would leave anything to Sue. The man told her that he would have to have an investigator to figure this out before payment was made, because if she had no idea of why then they needed to have some reason to pay the claim. Seeing Donna very upset, Wade goes over to see if he can help. Donna tells the insurance man that this was her friend but doesn't give him permission to tell him what is going on. She even tells Wade that she is ok and encourages him to go away. The insurance man leaves, and Donna tells the old man that she needs to go take care of a personal matter. Of course, there is no hesitation from the old man. He just tells her to come back as soon as she can.

Ok, lets recap for a minute. Wade and Jimmy are the old couple's grandchildren. Of the two, Wade has a bad crush on Donna and is not happy about Donna liking anyone. Mike came to work with no history but is also very interested in Donna. Donna is a divorced woman who

waits on tables and Ronnie did work there and was very good friends with Wade but was laid off. Ronnie is now dead, and the Sheriff has no idea of who killed him. At the time of his death, everyone thinks that he is dating Sue. Tommy is Sue's brother and has not been seen for years by anybody except Sue at Ronnie's funeral, but he is very jealous of Sue with anyone. Tommy is the only suspect in Ronnie's killing. Mostly because he is Sue's brother and not only jealous of his sister but is known for a lot of bad things. The Sheriff is still investigating the killing, but he doesn't know about Ronnie's insurance money going to Sue. But now the investigators for the insurance company have contacted the Sheriff. They have given him a tip on who might have killed Ronnie. It does answer a lot of questions about the murder and makes the Sheriff think that he has his man...

Do you know who killed Ronnie and maybe why? If so, send your guess to sales@peacrivershopper.com. If you are right, we will post your suspect and your name in the final story. Good Luck.

SUNCOAST CAMPAIGN FOR GRADE-LEVEL READING

2022 Suncoast Summer Reading Challenge

For students who will be
in **PreK - 3rd GRADE**
in August

REGISTER NOW!

THIS BOOK IS COOL! is a series of 100 books and webisodes to encourage a love of reading. Children signed up for **THIS BOOK IS COOL!** will receive 20 free books, activity guides and word puzzles thanks to the generosity of The Patterson Foundation.

*To qualify for **THIS BOOK IS COOL!**, you must be:

- A resident of Charlotte, DeSoto, Hardee, Manatee, or Sarasota counties
- Entering PreK-3rd grade in the fall of 2022
- Enrolled at a Title I school or eligible for free/reduced lunches or for a family that demonstrates need

To maintain an active status in **THIS BOOK IS COOL!**, parents must have ongoing contact with the Suncoast Campaign for Grade-Level Reading, indicating the number of books their child has read that week. This program is designed for families with limited means. If you don't believe your child would qualify but you'd still like to be a part of the program, we suggest making a donation of \$80 to Season of Sharing. Donate here:
