**Re-Elect
Jerod**

GROSS
for County Commissioner

District 1

Get to know Jerod Gross

DeSoto County Commissioner Candidate (Rep), District 1

"Strong leadership means a secure future."

**Trustworthy ★ Dependable
Reasonable ★ Dedicated ★ Sincere**

Paid for and approved by Jerod Gross for DeSoto County Commissioner, District 1 (Rep)

I am proud to be a fourth generation Floridian, born and raised in Punta Gorda. I started farming in DeSoto County in 2007. I proudly serve as general manager of a large agri-business that operates in DeSoto, Alachua, and Putnam counties. In addition to that position, I have also operated our family's blueberry farm in Arcadia for the past fourteen years.

My beautiful wife Lisa and I have been married for eighteen years and together we have two boys; Blake, 15 and Landon, 10. As soon as we moved to DeSoto County, Lisa and I committed to being active in this community. It has been a great joy to devote our time to the youth of DeSoto County. We both firmly believe that time invested in our children is never wasted. Throughout the last decade, I have coached DeSoto County Youth Football, Upward Basketball and DeSoto County Youth Baseball as well as DeSoto Middle School and DeSoto High School Football and 4-H Shooting Sports. I also serve on various boards at local, state, and national levels. I believe that my willingness to serve others combined with my business knowledge, work ethic and leadership ability has already made a difference in DeSoto County and I sincerely hope that the residents of this community will allow me to continue. It has been an honor to serve as County Commissioner, at the appointment of Governor Ron DeSantis, for the past year. I hope that I have earned your support for re-election.

Please make sure to vote in the primary election on August 23rd (early voting is available from Aug 8-20) to choose which Republican candidate will be on the ballot in November. I encourage you all to reach out to me personally should you have any questions, concerns or topics that you would like to hear my stance on. I look forward to the opportunity to continue to serve the residents of DeSoto County.

Goals When Re-Elected

- **Sensible spending & future planning for growth**
- **Strengthening of infrastructure**
- **Enforcement of residential zoning laws**

Meet Jami

Born and raised in DeSoto County, I began my academics at Memorial Elementary, continued to DeSoto County Middle School, and then graduated from DeSoto County High school, Class of 2008. After graduation I attended Florida Gulf Coast University, receiving a bachelor's degree in community health and a master's degree in occupational therapy. I began my career in education in 2017 where I am still employed as an occupational therapist servicing students in the DeSoto County School District. Over the past 5 years, I have worked in 4 of our district schools as well as our DeSoto Virtual School, helping students achieve their highest level of academic success. I believe my working experience with students, teachers, staff and families across the county has gifted me with a perspective that has enabled me to understand the unique needs of our district. If elected, I intend to use my personal experience and the relationships I have established in our community to guide me in making decisions that move our district in a positive direction. I ask that you cast your vote for me on August 23rd, 2022. Thank you and God bless.

If elected, I promise to:

- ✓ Support our students, teachers, and staff
- ✓ Listen to parents
- ✓ Study the issues facing our school district
- ✓ Serve our community with humility, integrity, and professionalism

VOTE

As you go to the polls remember the candidate you elect should and must have the knowledge and awareness of the county, experience and ability to handle a budget, and the person that has the time and effort to put into this position by listening to the needs and concerns of the people. I do believe I can be that voice. Early voting starts on August 8th and the Primary Election on August 23rd. Thank You!

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

WHAT IS GOD'S APPEARANCE AS TO HIS NATURE AND CHARACTER?

The Bible can give us a lot of this information. John 4:24 tells us that God is a spirit. He does not have flesh and blood like humans. He is invisible to human eyes but he does have form and shape. In Genesis 1:26 God says, Let us make man in our image and after our likeness. One of Jesus' disciples asked him what does God the Father look like? Jesus replied, Have I been so long time with you and yet hast thou not known me Philip? He that hath seen me hath seen the father; John 14:9. God and Christ both glorified in heaven with faces as bright as the sun's full strength.

Their eyes looked like flames of fire, their feet like bright brass and their hair was white as snow; Revelation 1:14-16. Both God and Christ have characters of spiritual holiness, righteousness and absolute perfection. Their character summed up in one word is love. God loved the word Jesus Christ. The word loved God and obeyed him completely. Two can't walk together in peace except one be the leader in control. God is the head or leader.

As they were the only life beings who existed, God was the leader in command. God created other conscious thinking spiritual beings; angels. Then he created other human beings. But he would be over all of them with his laws to live by. His laws are spiritual and came from his love. His laws are for the guidance of humans. His two great commandments love toward God and love towards our neighbors. These in turn are subdivided into the 10 commandments.

This law of God produces peace, happiness, & cooperation through his obedience. The Hebrew word for God is Elohim. As Jesus was about to leave the earth he told his disciples, I will ask the father and he will give you another comforter or counselor, the spirit of truth, the Holy Spirit. He will teach you all things and will remind you of everything I have taught you. So god send the Holy Spirit to us as Christ ascended to the father. So now, we have 3 in the God relationship; God the Father, God the Son and the Holy Spirit. Each one has a different place to unite the God head.

What's That Sound?

CHAPTER 7

by Bumpy Thermos

The sound we heard from that old windmill was creepy, very strange. One of the guys said that he thought it was the arm of the windmill pumping out the water. Another one of the guys said he didn't hear anything. Still another one of the guys said that he thought the sound was the water coming up through the pipes. But I didn't think anything like that. To me the sound did not sound like anything that could be made by water or metal. I thought the sound was different somehow.

Creepy is the only thing I could think. Just plain old creepy.

As we were standing there, all of a sudden the sound stopped. The wind was still blowing. The windmill was still spinning just as fast. The water was still coming out of the pipes just like before. Nothing had changed, why did the sound stop? How could the sound stop if everything was the same? Creepy huh? After that, everything went back to as it was. People went about there business. The difference was, everybody was still talking about that strange family and the old windmill. Now people started watching the windmill, probably just to see if anything was

going on down there. It was obvious now that the boy and his little sister were spending a lot of time down at the windmill. Somehow no one had noticed that before. No one had even said anything about that before. Or at least, I hadn't heard anything. But now everybody was paying attention, everybody. People would walk down the street while staring at the windmill as they walked. Heck, one little boy walked right into the lamp post looking over at the windmill. It had become the biggest news in our town. You couldn't go to the store without hearing someone talking about that old windmill and the creepy noise that came out of it. It seemed like every day that little girl and her older brother were at the windmill, just sitting and talking, laughing and always having a good time. If they stayed there long enough, the mother would come outside and yell for them to come home. But soon they would be right back out there until way after dark. Crazy huh? They just seemed to love that old windmill. This went on and on, day after day, until one day...
