## Kaylee Anne Griffin Hampton

Kaylee Anne Griffin Hampton was born to Kathy & Mark Griffin on September 28, 1988. Cail Levi Dyal was born to Kaylee Hampton & Robert (Bubba) Dyal on March 9, 2009. On April 20, 2018, Kaylee married James Hampton and they blended their families to become one and resided in Cubitis, FL.

Kaylee was raised in Nocatee with her brother, Matthew Griffin. She attended school in DeSoto County and was employed by Liberty Health in Pt. Charlotte at the time of her death. For many

years, she was a waitress and bartender for many of the local businesses. Kaylee would cook homemade meals to sell locally to make money to help her family with expenses. People will tell you what a great cook she was and their favorite meal. Kaylee had many friends, too numerous to list, that would confide in her and lean on her. Kaylee would help anyone she could; she would give them the shirt off her back and the shoes off her feet. She stopped a mentally ill, homeless man in her front yard and asked him if she could put socks and shoes on his feet. She told her mom that you never know when you're helping a stranger that you might be helping an angel. Kaylee was a fierce protector of her family and friends and you only asked her opinion if you wanted the truth.

Cail lived in Cubitis with his mom and dad, 2 sisters, and 2 brothers. He loved playing sports. When he hit a baseball

to the fence, he made it look effortless. He had to hit it to the fence so he could make it to first base because he had a bubble butt. Lovingly called that by his mama. Cail was going to play his first football game 4 days after he died because he had finally talked his Nanny into letting him play. He represented the Historical Society in the local parades performing with his whip and teaching other children how to crack the whip so they could participate in the parades. Cail and his sister Jacki (who he taught) would also perform at the Pioneer Days, hosted by the Historical Society, cracking the whip. He was a lot of kids' hero because he would protect them from bullies. He was known to his family as the Chief Rooster Buddha of the Nocatee Blackfoot Tribe.

Kaylee is survived by her husband, James, her children, Jamee, Jacki, JW & Zane; mother, Kathy Griffin; brother, Matthew (Amie) Griffin; mother

& father-in-law, Linda & Jim Hampton and extended family; nephew, Dylan Griffin and niece, Allie Griffin; her special aunt Cindy McLeod Ely and too many aunts, uncles & cousins to name. Cail is survived by his father, Robert (Bubba) Dyal, and his daddy, James; sisters, Jamee & Jacki, bothers, JW & Zane; maternal grandmother, Kathy Griffin; paternal grandparents, Robbie & Melanie Dyal; his special great aunt Cindy McLeod Ely and too many aunts, uncles & cousins to name. ## Carrie Louanne Lyons

Carrie Louanne Lyons was born on December 31, 1978.

She went to be with the lord on September 11, 2022. This world's loss was heaven's gain. Carrie was truly one of a kind and will be missed by the ones who loved her the most. She never met a stranger, she had an amazing personality, and a heart of gold. Her biggest achievement in life was leading others to the lord. Carrie received salvation as an adolescent and was baptized off the banks of the Kissimmee River. Some of her favorite activities centered around the outdoors. She was an avid fisherman and a

heck of a good shot. She was a country girl through and through. She loved the little things in life. She was very passionate about preserving history and tradition. Her laugh was contagious and she was an expert storyteller. Carrie is survived by her parents Earl and Dianne Lyons. Brother Rowdy Lyons, Sister Rebecca. Five children Dynasty (Tyler) Thompson, Kelbie (Xavier) Canales, Wylie Lyons, Jacob Lyons, & Adalynn Murphy. Six grandchildren Luke Allred, Kendsley Canales, Kaebry Canales, Levi Thompson,

Kayson Canales & Mae Lyons. Two nieces Holly Lyons and Bailey (Jacob) Dewey and many cousins. Services will be held on October 1st, 2022 at North Hillsborough Baptist Church at 11 AM with Pastor Ellis Cross as the officiator with Food and drinks to follow. In this time we ask that you pray for her family as they face this great loss and as a way of preserving her memory, share the love of Christ with others whom you meet in this life.

**Our Father,  
who art in heaven,  
Hallowed be thy Name.  
Thy Kingdom come.  
Thy will be done in earth,  
As it is in heaven.  
Give us this day,our  
daily bread.  
And forgive us  
our trespasses,  
As we forgive them that  
trespass against us.  
And lead us not  
into temptation,  
But deliver us from evil.  
For thine is the kingdom,  
The power, and the glory,  
For ever and ever.  
Amen.**

## Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Advanced

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**EZEKIEL ONE OF GOD'S END TIME PROPHETS WHO IS  
WARNING THE WORLD OF EVIL**

The prophet Ezekiel prophesied centuries ago about the end time events. He illustrated what is about to happen and how it will all end. He describes horrifying events that God prophesied. He prophesies what is coming on the modern descendants of Israel and the rest of the world.

Getting to know God is a dominant theme in the book of Ezekiel. God, through Ezekiel says, his very elects will send out warning messages to the world. God reveals himself in Ezekiel. Ezekiel was a captive of the enemy when he received many visions. The heavens opened up to him as he was a slave. His scripture tell us as he actually saw God in a vision. He describes it as a whirlwind came out of the North (God's throne is the very far North) with a great cloud with a fire inside, a fire with a glaring brightness.

Out of the fiery midst came 4 living creatures with the likeness of man. The 4 creatures had 4 faces, 4 wings, their feet were like the sole of a calf's feet and they shined like brass. They had hands of a man under their wings. The wrings were joined one to another. Their faces were of a man and a lion on the right side and the face of an ox on the left side plus the face of an eagle. They were cherubim's, they that protect God's throne. Ordinary angels resemble men but these cherubim's are not ordinary angels, they had 4 faces. Their appearances looked like burning coals of fire and like the appearance of lamps going up and down among the living creatures. The fire was bright and out of the fire came lightning. Their movements were as fast as lightning.

Scriptures tell us as many become sons of God while angels never had that chance. In the first chapter Ezekiel introduces us to God. When man's spiritual creation is complete he will be God's masterpiece because he was make in God's image..

# What's That Sound?

## CHAPTER 14

by *Bumpy Thermos*

Just like the noise and light began, it stopped. Same order as it had begun. When my eyes got where I could see the house again, I noticed the two men went back in the house. The machine was left as it was, all spread out and just sitting there. What a machine it was. Even for its size, it sure gave out a strong light and such a loud sound. I keep trying to remember what the sound sounded like. Kind of a scream, but with a vibration to it, that's the best I can do. All I know is that I had never heard anything like it before or since. Well, except about an hour later, the machine was started back up again. Same everything.

Crank, light, change light and then noise. Same sequence, same everything. That went on all night.

About every hour, almost to the minute that machine would go off again, all night. I don't know when it actually stopped, but I do know that when I got up the next morning it was gone. The old truck, the machine and I guess the old man that drove it, all gone. No sign of any of it. I got up, had breakfast, opened the door to head out of the house when I first started hearing that sound. It was a strange sound. Kind of like a humming with a light high pitch sound. One of my friends was walking by and said to me "what's that sound?". We stopped and tried to listen. There were no birds singing & not much wind. What could it be?

It wasn't long before other people in the neighborhood started gathering up in the street. All of them looking around and trying to figure out what the sound was. An old man and his wife started walking toward the windmill. Soon they were shouting at the top of their lungs. Come over here, we found something. Come over here. As we got closer, the noise that we had heard was coming from that old windmill. The blades were spinning so fast, they looked like they were going to spin off. Then I saw what looked like someone on top of the windmill. If it was a person, it wasn't moving, not a bit. It looked like they were asleep or something worse. My buddy and I were the first ones to get to the windmill and we started climbing to the top. At first, we couldn't tell who it was, but then after we got up there, we found out it was the boy that had been missing for so long. He was alive, or at least we thought he was, but he was as white as a ghost, and it looked like he had been tied to the windmill. The weird thing was, he was tied with old cloth. The kind you would find on an old dress or shirt, torn pieces not cut pieces. His hands were tied at the wrist and pulled back around like he was hugging the windmill. We began to untie him best we could. The old torn cloth just about had to be torn off of his wrists. It was so old it would tear. It just took a little work. As we began to get his wrists loose, another weird thing began to happen. The windmill blades started to slow down, and the noise was beginning to fade away. Maybe the wind slowed down, I'm not sure, but I remember thinking something is not right here. The boy was unconscious but alive. His mother and sister came running out of the house crying and screaming. They came over and began hugging and kissing the boy. The ambulance arrived and the boy was taken to the hospital. The mother and sister rode with the ambulance. We all just stood there looking at each other wondering what had happened. Why was the boy tied to the windmill and why now? Did the machine in the back of that old man's truck have anything to do with his return? Mom spoke up and said, "I know why he came back". Us kids turned to mom. What did you say mom???
