Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

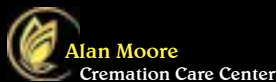

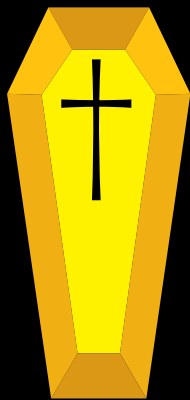

Level: Advanced

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

FOREVER MISSED
Kaylee and Cail

The families of Kaylee Hampton and Cail Dyal would like to thank the community and everyone for their support, donations and prayers during this very difficult time after Kaylee and Cail were taken from us. This community has shown us so much love and support and continues to do so. Hundreds of people bought BBQ dinners, raffle tickets, t-shirts, cups, donated funds and sent cards. We especially want to acknowledge the organizers, cooks and workers for the benefits and all those that donated food, shirts, cups, other services and items to the benefits. James is home now but still has a long road to recovery. We will hold a memorial service for Kaylee and Cail after the first of the year to give James and J.W. time to heal physically.

OBITUARIES

Cheryl Ann Kinnecom

(July 13, 1956 - Nov 18, 2022)

Cheryl Ann Kinnecom of Arcadia, Fla., passed away November 18, 2022, at the age of 66, following an extended battle with colon cancer.

She was born July 13, 1956, to Aurin Ambrose and Barbara Joan Collins (nee Hix) in Arcadia, Fla. She was the second of four sisters.

Cheryl was preceded in death by her son, Phillip Scott Olive, in 2018; her sister, Christina Candace (Mark) Negley, in 1998; and both of her parents.

In life, she was surrounded by loved ones who will continue to honor her legacy by living their lives to the fullest. Left to carry on her memory are her beloved companion, Jeff Griffis; son Joshua Collins (Diane) Olive; daughter Heather Irene Mejia; sisters Cynthia Larae (Selby) Kinard and Carla Irene (Mary) Belcher; grandchildren Israel A., Micah S., Jubilee B., and

Elijah A. Mejia; and many cousins, nieces and nephews. She is also survived by former husband Scott Moore Olive, the father of her children.

Cheryl was highly social and pleasant to be around, so she always had many friends. She took joy in the simple things — family, RV camping, baking, savvy shopping, sewing, reading — and was a beautiful person inside and out.

Although she considered a career as an English teacher, Cheryl opted to devote herself to the development of her children during their early years. When the kids were older, she worked for Port Charlotte neurologist Dr. Nasir Khalidi from 1987 until his death in 2017, first as a medical transcriptionist and later as office manager.

Cheryl also taught medical terminology and medical transcription at Charlotte Vo-Tech (now Charlotte Technical College) for several years and held an A.A. degree in healthcare management from Asheville College.

A lifelong musician, Cheryl learned to play the piano as a child and shared her love of the instrument by teaching dozens of students. She was of the Baptist faith and served as pianist for several local congregations, including First

Baptist Church of Fort Ogden, Fort Ogden United Methodist Church, First Baptist Church of Nocatee, and Mount Ephraim Baptist Church.

A funeral service will be held at First Baptist Church of Fort Ogden at 11 a.m. December 3, 2022. All who would like to attend are invited to the service and to stay for lunch afterward; bring a dish if you like. Visitation will begin at 10 a.m. A private interment will follow at Fort Ogden Cemetery, where she will be buried near her son, sister, parents and many other relatives.

The cancer that took Cheryl's life went undetected until it was too late for treatment. Her family would like to encourage everyone to schedule regular colonoscopies and other cancer screenings. Early detection saves lives.

In lieu of flowers, donations may be made to the American Cancer Society or Tidewell Hospice, Inc.

The family would also like to extend their gratitude to the staff of Tidewell Hospice.

Online condolences may be made at [www: PongerKaysGrady.com](http://www.PongerKaysGrady.com).

Arrangements have been entrusted to Ponger-Kays-Grady Funeral Home Arcadia, Florida

**Our Father,
who art in heaven,
Hallowed be thy Name.
Thy Kingdom come.
Thy will be done in earth,
As it is in heaven.
Give us this day,our
daily bread.
And forgive us
our trespasses,
As we forgive them that
trespass against us.
And lead us not
into temptation,
But deliver us from evil.
For thine is the kingdom,
The power, and the glory,
For ever and ever.
Amen.**

WHAT THE BIBLE TELLS US ABOUT THE TRIBULATION PERIOD FOLLOWING THE RAPTURE.

The Holy Spirit of the Bible is revealing the mystery. We have reached the time of the end and are living in the closing days of the (times of the Gentiles). Gentiles is referring to us. Scriptures tell us "We are told that the day of the Lord which is Christ's 2nd coming shall not come except there come a falling away first". This falling away is clearly seen today. Apostle Paul of the Bible quoted of these last days perilous times shall come found in 2nd Timothy 3:1-5.

Men's hearts are failing them for fear and for looking after those things which are coming on the earth; Luke 21:24-27. Men and women of today are so busy they don't have time for God. Today's society wants worldly material life and things which are more important than worshipping our creator God. People have forgotten they will stand someday for judgement for what they have done on this earth in their lifetime. They will be held accountable. Once things finally settle down on earth after the rapture has taken place many events will start happening. Remember Satan is in full control with no one to stop him.

The Holy Spirit has left our earth so the tribulation period will begin and last 7 years. Satan's influence will get stronger day by day. He will start to take control of our planet as supernatural things start to happen. Government will gain control of the world to form a One World Government. All the churches will combine to form One World Church.

Then a world leader will emerge and have full control over everything, this will be the antichrist mentioned in the bible. Satan will give him full control. The antichrist will have a false prophet to take care of the whole world religion. The false prophet will direct all worship to the antichrist and will even build an image of him that actually speaks. Time is short.

Wake Up America

CHAPTER 7

After all that trouble to get the cabin secure, was one of them in the cellar? Jerry quickly locked the cellar door. He wasn't sure if one of those monsters was in there or not, but he wasn't going to take any chances. All he knew was something was in there and he knew that lock was not going to stop much especially if it was a monster. But, what else could it be? Jerry had already seen one of those things carry George off, holding him in his mouth like a dog carrying a bone, running through the woods as if it had a trophy or something in its mouth with its long tail pushing it even faster. And all those bodies at the river, what else could it be but a monster? So, Jerry decided that he had to secure that door, but how? Then he remembered that he had used an old logging chain to pull down a half-broken limb by the river. But could he take a chance to go so far from the cabin? Jerry thought for a minute and decided that this was just about the only choice he had. It was way too far to try and make it to town and to get to any neighbors was just as far. And besides, were any of them alive? So, Jerry takes off & he leaves the back door locked and barricaded. The monsters

couldn't get through anything but the back door, so he left the front door and windows open. When Jerry got down to the river, he had to go right by the old miner's bodies that he had seen earlier. He stopped for a minute to take a good look at his old friends. The bodies were all torn apart and looked like some were eaten and some just left there to die, that whatever did this didn't just do it because of hunger, but for sport. There was still no way to figure out who was who, nor was there time to see if they were all there, and time was exactly what he didn't have. The fact was that at any minute one or both of those things would sneak right up on him and do him the same way it had done his friends. It is a wonder how Jerry got the logging chain out of that tree. He had to keep one eye on the chain and one eye looking all around to make sure he didn't have something sneaking up on him. While Jerry was gone to get the logging chain is when the guys looking for them came up to the cabin. When Jerry came back and saw them about to open the cellar door, he panicked and started yelling for them to stop and to not open that door. So now Jerry had caught everyone up. Everyone now knew what had happened. They still didn't know for sure where everyone was, or if anyone was still alive or if they were all dead except for Jerry. But hearing what

Jerry had told them wasn't making a lot of sense. After all, the only thing they had seen strange was Jerry's place with the torn-up cabin and yard. Still, Jerry's story was very scary and knowing what had happened didn't seem to comfort anybody. What about these monsters Jerry was talking about? Where were they? Were they coming back? Again, what about the monsters? Anyway, at least they were aware of the situation. Ok, now what? What should they do now? Was one of the monsters in the cellar? And if so, where was the other one? And, if it wasn't one of the monsters, where were they and when would they be back? And, if it wasn't one of the monsters, who or what was in the cellar? Everyone just looked at each other. The noise was still going on in the cellar, it was faint now, but still there. Who was going to look? Who was going to check on the cellar? Jerry decided that he would take the chance. He walks very slowly over to the cellar door and yells through the cellar door, hello he says, is anybody in there???
