Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

JOSHUA CREEK CEMETERY PERPETUAL MAINTENANCE TRUST, INC.
IMPORTANT NOTICE

May 28, 2024

TO WHOM IT MAY CONCERN:

Effective immediately, Joshua Creek Cemetery is going to stringently enforce the Rules & Regulations that are outlined for all the burial spaces located within Joshua Creek Cemetery. At the time of purchasing interment rights, a copy of the Rules & Regulations is given to the Buyer and they are also posted at the entrances of the Cemetery. Upon purchase of "Interment Rights", the Buyers are required to sign the Rules & Regulations acknowledging that they have read and agree to abide by them.

The complaints about the appearance of the Cemetery and the placement of items that are not allowed to be on site continue to increase significantly. It is the responsibility of Joshua Creek Cemetery to provide a solemn, serene and sacred environment for those that wish to reverently visit the gravesites of their loved ones. There are many ongoing violations of improper placement of curbing/coping, oversized headstones, fencing, floral arrangements, improper disposal of debris, placement of glass bottles/cans/breakable items, gatherings/celebrations/cooking & grilling, loud music, etc. etc.

A copy of the Rules & Regulations will be available on our website for your review and to serve as a reminder of what is and is not accepted. You can find these posted on the Joshua Creek Cemetery website at: www.joshuacreekcemetery.com

We are requesting that you take the time to review the Rules & Regulations and do what is necessary to bring the gravesite that you are responsible for into compliance. We are requesting that this be done by

July 01, 2024. Failure to do so will be cause for the Cemetery to take steps to remove all unacceptable items.

Thank you for your understanding and cooperation.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

OBITUARIES

Shirley Helen Taylor

Shirley Helen Taylor 91, passed away peacefully at her home on June 1, 2024, preceded by her husband Elmer. Mrs Taylor was a long time resident of Arcadia and was affectionately known as "Grandma Shirley". She is survived by her Daughters Debi Gilmore (Donnie), Cathleen Roberts (Richard), Theresa Stone, and her brother Jimmy Peters (Kathy). Shirley had 12 grandchildren, 32 great grandchildren, and 9 great great grandchildren. Grandma Shirley was truly in love with her family.

She loved Calvary Baptist Church, teaching Sunday school, Bible School, and volunteering wherever needed.

Shirley was an award winning artist, illustrator and author, and a member of the Desoto Arts Center. We remember her contagious

sense of humor, how she loved teaching art to children at the Desoto Public Library, and in her home. She cherished the outdoors, boating with Elmer and the kids, her dog, and playing the piano. We will all remember her prayerful blessings.

A Celebration of Life will be held at Calvary Baptist Church, 48 N.15th Ave., in Arcadia on Sunday, June 30 at 4 pm.

Marcia Deana Brown

Marcia Deana Brown (nee Wilson), passed away on June 4, 2024, in Port Charlotte, FL, at the age of 89. She was born on March 2, 1935 in Cincinnati, OH. She moved to Arcadia from Sarasota in 1952, graduating DeSoto High School, Class of 1953.

Marcia was known for her positive demeanor,

her cheerful and energetic personality, as well as her strong sense of service. She was organized, and reliable in all aspects of her life.

In her career, Marcia served as a Church Secretary at the First Presbyterian Church of Arcadia and the Trinity United Methodist Church. Prior, she was the Owner of Green Belt Fuel Distributors of Arcadia - Union Oil Company. She was a member of St. Edmunds Episcopal Church, Arcadia.

Marcia enjoyed traveling, especially to Scotland, exploring literary works, visiting the Ringling Museum, and attending dinner theatre. She cherished RV'ing in the Great Smoky Mountains, attending Friday Night Dinners with her friends, and leading DeSoto 4-H activities. Marcia had a passion for colorful jewelry, followed college football, and enjoyed watching golf.

She is survived by her daughter Laura Louise Amendola, son-in-law James William Amendola, grandsons Alex Clark Grantham and Tyler James Amendola, great-granddaughters Natalee Laura Grantham and Zoey Joel Grantham, and niece Barbara Norris-Dees. Marcia was preceded in death by

her spouse Franklin (Frankie) Brown, parents James and Helen Louise Wilson, sister Mary Ann Dees, and brothers Richard Wilson and Robert Wilson.

A service to honor Marcia's life will be held on Wednesday, June 12, at 10 a.m. at the First Presbyterian Church in Arcadia, FL. Interment to follow and early luncheon immediately afterwards in Phrangle Hall. In lieu of flowers, contributions can be made to the DeSoto County 4-H Youth Development UF/IFAS Extension, (863) 993-4846 Attn Katelyn Mulinix kmulinix@ufl.edu 2150 NE Roan St, Arcadia, FL 34266; or the Paralyzed Veterans of America.

MANAGING HEARING LOSS CAN REDUCE THE RISK OF DEMENTIA

Studies have shown that untreated hearing loss is associated with an increased risk of dementia. Hearing loss makes it difficult for the brain to receive and retain spoken information. When this occurs, it can leave you feeling fatigued, forgetful, and more likely to withdraw from social situations.

What the Research Says

The risk of dementia could be reduced by treating pre-existing conditions, such as hearing loss

Individuals wait an average of 10 years before seeking treatment for hearing loss

Older adults who wear hearing aids can likely reduce their risk of dementia in half over time*

THE LAST GREAT DAY

In our world there is massive deception going on by Satan confusing people's minds. Bible scriptures tell us Satan is receiving the whole world; Revelation 12:9. People generally follow Satan's ways, not God's. Scripture again tells us salvation is given by Jesus alone. There is no other name under heaven given among men by which we can be saved; Acts 4:11-12. So, you either accept Christ, the true Christ of the Bible or you do not.

If you truly accept Christ as your Lord and Savior, you will surrender to him and let him rule your life. As Christ commanded we shall keep the 10 commandments as a way of life. Christ will live through us by the Holy Spirit. If you do not do this you are blinded by Satan. It is just that simple. It is God's will that all come to repentance but it certainly has not happened in our age.

THE Tree

CHAPTER 13

It was clear that Uncle Doyle was missing and we had to find him. Not just for Uncle Doyle, but also for the fertilizer. While we were all standing around talking, I noticed a young boy sitting over in the corner. He was pulling on some kind of rope. The rope looked like it was coming out of a hole in the wall. The hole was exactly the same size as the rope. And as he pulled the rope, it made a whistling noise. A low noise, but a very intense sound. I didn't notice the sound until I was getting right up to him. The boy was a handsome kind of lad, with long blonde hair and blue eyes. As I got closer to him, I noticed he had a large pink area on the back of his neck. Not a mark, but a large pink spot, like he had been burnt a long time ago. The first thing I thought was, is this boy a warrior? But it didn't look like the mark of a warrior. I was right up at him before he noticed me. When he realized I was there, he stood straight up and turned toward me. This boy was tall, a lot taller than I was and as he turned toward me, I felt a little intimidated. He looked me straight in the eyes and asked, "do I know you?" Well, no, I don't think so, I replied. Who are you? As he got a little closer to my face he says, I am Hanson, Doyle's youngest son. Youngest son, I thought. I wonder how big your older brothers are? He then says, I want to help you guys find my dad. I can help by bringing Sammy along. He will know where to find him. That sounded like a good idea to me. It did to my grandfather too because he broke in and said that would be nice and said hello to Hanson. My grandfather told Hanson that he hadn't seen him in a long time and he sure had grown up a lot since then. Hanson smiled and said that he had been helping out with the fertilizer and had been out of site for a long time now, and that things were getting bad

with the Others, and the fertilizer was more important now than ever. He said the Others were coming around now and making it plain that they were there and were watching us. He went on to say that if they didn't get fertilizer soon, The Tree would start lowering its branches and we all know what that means. We all shook our heads in agreement. As I looked around it did seem that we were getting together quite a hunting party. I thought to myself, the more the merrier, but grandfather quickly put a stop to that. As he was speaking, I knew that I was going. My grandfather's voice was deep and clear as he reminded us all that if these people were right, the only way up to the fertilizer was to climb that mountain. And I'm pretty sure that would take a warrior. So, I knew I would be going. But was anybody else going with me? Hanson had already spoke up and said he wanted to go. How he was going to carry that big animal (Sammy), I wasn't sure, but he must have been to offer. There was no doubt that grandfather was going, you could tell that he would be leading this hunt. Now that we knew the Others were out there watching us, that would make a big difference on the safety. Then I got to thinking. I leaned over to my dad and whispered in his ear. "Dad, I don't have any of the berries." He smiled and patted his upper coat pocket. Yes, you do, he says. A big smile came across my face and the idea that I would actually be able to use my powers was just too exciting. I think I even made a little snorting noise as my mind rambled...
