## RECENTLY REDUCED

Hard to find 25 acres! This property is at the end of a dead end street and is fenced and gated. Owners currently live in a FEMA mobile home temporarily on the property, as their double wide home was damaged in Ian. Most likely, it will need to be removed by a buyer if they feel they cannot renovate. There are a couple of small animal shelters, with stalls etc. beyond the living areas. There are a couple of ponds in the pasture area. This whole package has a lot of potential. An appointment is required to enter. ( remember it's 25 acres, zoned RM so animals and mobile homes allowed )

REDUCED TO \$485,000! MLS#C7489237

#### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

#### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. #### William "Bill" Otto Nickelwarth

It is with deep sorrow that we announce the passing of William "Bill" Otto Nickelwarth, 91, born in Columbus, Ohio on September 16, 1932. Bill departed this life and joined his Lord and Savior on September 8, 2024, in Arcadia, FL. Bill is survived by his wife of 72 years Nellie May Nickelwarth. He is proceeded in death by his daughter Linda Dennison and leaves behind his son Dan (Bridget) Nickelwarth and son in law Robert Dennison. He also leaves behind his grandchildren, Jayme (Carl) Skinner, Stacia Nickelwarth, Kelly (Steve) Eggers, Michael (Desiree) Dennison, Amberly (Larry) Holmes, Michelle Withem, Wyatt Nickelwarth, and his 10 great grandchildren.

Bill's accomplishments in those 91 years on this earth were impressive. Bill was in the Navy Reserves. He was also a retired Firefighter for the Columbus Ohio Fire Department after serving 26 years. Then after retiring, Bill went on to begin his second career in construction. Where he learned he had a remarkable ability to draw

plans and execute those plans perfectly.

Bill's passion was wood working where he made incredible life like replicas of fire engines. He loved to build things, and he loved making gifts out of wood for his grandchildren and great grandchildren, from baby doll rocking beds to trains and trucks and so much more.

Bill was the epitome of a loving husband, father, grandfather, and great grandfather. He will forever be missed by his family and friends. Please join us in honoring Bill's life on Saturday, September 21, 2024, at 6pm located at Ponger-Kays-Grady Funeral Home in Arcadia, FL.

#### Firefighter's Prayer

When I am called to duty, God, whenever flames may rage; Give me the strength to save some life. whatever be its age. Help me embrace a little child before it's too late Or save an older person from the horror of that fate. Enable me to be alert and hear the weakest shout, And quickly and efficiently to put the fire out. I want to fill my calling to give the best in me, To guard my every neighbor and protect their property. And if, according to my fate, I am to lose my life; Please bless with your protecting hand my children

and my wife.

Our Father, who art in heaven, Hallowed be thy Name. Thy Kingdom come. Thy will be done in earth, As it is in heaven. Give us this day,our daily bread. And forgive us our trespasses, As we forgive them that trespass against us. And lead us not into temptation, But deliver us from evil. For thine is the kingdom, The power, and the glory, For ever and ever. Amen.

## ARE WE IN THE LAST DAYS THE BIBLE TALKS ABOUT?

Folks the people in our world today are so busily engaged in doing the good things of life that they have no time to worship God. They are so busy building homes for themselves on Earth that they are neglecting to secure a home in Heaven. They are more anxious that their children should make a good match on Earth, than that they should be united to the Lord. They are so much concerned about their case in court that they have forgotten they must stand at the judgment before God.

Folks in the Bible Apostle Paul told young Timothy in the last days that perilous times shall come. Scriptures tell us is 2nd Thessalonians 2:3 that day (the day of the Lord) shall not come except there comes a falling away first. Folks just look at world conditions. We are falling away.

WAKE UP AMERICA BOB FERGUSON

## CHAPTER 27

I have got to stop thinking about that fog. It's making me sick on my stomach. My hands are shaking, I am sweating and very weak, and now even my breath is getting short. What can it be that has me so scared? Looking around, no one else seems to be having any problems. Grandfather must have noticed me. He came over and asked me what was going on. That fog, I said. That fog is scaring me to death. What fog, my grandfather asked? That fog Sammy showed me. It's making me sick. Dad comes over and helps me sit down on the grass. You better take it easy for a minute son, he said. You look terrible. By now I'm lying on my back looking up at everybody gathered around. They are all staring down at me. I must have looked pretty bad because Hanson asked grandfather if I was going to be alright. For a few minutes, I was wondering that myself. Slowly my breath started coming back and the shaking began to go away. Still a little sick on my stomach, I asked for some water. One of the twins starts to pour me a cup of water. As he is pouring it, I notice that the water is silver. It looks exactly like water, but it was silver. He finished pouring the water and hands me the cup. I hold the cup up to the light and ask if any one sees this? Sees what, asks dad? This water is silver I replied. Of course, it's silver says grandfather. All the water here is silver, you know that. Oh yea, your right grandfather. I wasn't thinking, I said. After a few minutes I felt fine and started to get back on my feet. As I got up, I took a look around at the trees. Something was different. The bark was bright orange and some of the branches were bright red. The funny thing is, I knew where I was, but nothing looked the same to me. It was like I had opened my eyes to a new world. The grass, the trees, everything was different. Wow, this is beautiful I thought. I turned to my grandfather and started to say something. But

couldn't get a word out. I froze right where I was. I knew who he was, but it was like I had never seen him before. Grandfather saw that I was having a problem. He says to me, grandson take a few deep breaths. Do you smell that sweet smell? I did as he said and told him I did. He told me that that was the sweet smell of the fertilizer. We must be getting close. It won't be long now; he says and you will need to take that berry. You do have them with you don't you grandson? I look over at my dad and he smiles and shakes his head yes. So, I answer with a shake of my head to grandfather. OK then, he says, let's get going, the smell is getting sweeter now and I can tell it won't be long and we will be at the bottom of the mountain. As we go through a thicket of trees, there it is. It was the biggest mountain I had ever saw. Then right at the foot of it was a large cave. It looked like it went into the clouds. As I am looking up at it, I realize that I have been here before. Grandfather, I said, I remember being here before. He smiled and said, I am sure you do grandson, I am sure you do. Now before you take that berry, let's have the twins check out the cave and around the entrance to make sure we don't have any visitors we don't want. Then it will be your time, the time you have been waiting for. "Warrior" time. It will be time to get up that mountain and find the fertilizer and your Uncle Doyle. The twins had run off to do one last check, but they were not gone long. They give grandfather the ok and he turns to me and asks, Are you ready grandson?

On September 10, we celebrated Nocatee Elementary for being the first elementary school to earn a B since 2011! We are beyond proud of our students and staff and looking forward to the road ahead for our schools and district.
