SUDOKU

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

A close-up photograph of an elderly couple. The woman, on the left, has short, wavy white hair and is wearing a light beige sweater. She is laughing heartily, showing her teeth. The man, on the right, has short grey hair and is wearing a blue button-down shirt. He is smiling warmly and has his arm around the woman's shoulder. SUDOKU

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

OBITUARIES

Russell Newton McLenon

Russell was born February 2nd, 1942, to the late Warren Russell and Poleamon Estelle McLenon, right here in Arcadia, Florida. Russell was raised here in Desoto County where he loved to hunt and fish, with his brothers and just generally be outdoors. At a very young age, around 10 years old, Russell became a youth member of the First Baptist Church of Fort Ogden. Here, he regularly helped with church services, ushering the patrons and holding doors for those in need. Russell was a member of the Fort Ogden Baptist Church for over 74 years.

In 1958, when Russell was only 16 years old, he met his future wife on his local school bus. Russell was smitten and her asked out, but her father wouldn't let her go to the movies with him by herself. She, Russell and all her siblings piled into a Volkswagen Beetle to go to the local drive-in movie theatre. In no way did this discourage Russell and in 1961,

he married Ms. Ola Croy.

Russell was mostly a quiet man, but as he got older, he seemed to enjoy talking with anyone who would stop and chat with him while he rode around town on his cherished golf cart. His cell phone also seemed to be an extension of him, and he loved to check the facts and find out for himself, "according to his smart phone." One hobby Russell really enjoyed doing was yard work, especially mowing lawns. He embraced this talent by helping others around his community and mowing lawns for anyone who needed it. He would also mow the roadside around town and local cemeteries on a regular basis out of kindness and his passion for yard work.

Over the years, Russell became very fond of animals, and he adopted over 20 cats. He loved and cared for every single one of them up until his passing. Each and every one of them were very special to him.

Russell is survived by his wife of 65 years, Ola "Bebe" McLenon; Son, William "Bill" McLenon; Daughter, Deborah McLenon Summey and her partner Timothy Mozroll; Brothers, Larry McLenon and Walter McLenon and his wife Sue; Grandchildren, Rachel Cooper and her husband Jake; Timothy "TJ" Mozroll Jr.; Great-grandchildren, Elyse and Aria; as well as many nieces and nephews whom he loved.

Russell will be remembered and missed by all who knew and loved him. His family will continue to cherish the memories they have of Russell so his memory will forever live on.

Services for Russell will be held graveside at The Fort Ogden Cemetery on Friday, July 10th at 10:00 a.m. Service will be conducted by Pastor Wayne Ernest. Flowers can be sent to Ponger Kays Grady Funeral Home.

Gwen Brannan

Gwen Brannan, 75, of Arcadia, Florida, passed away peacefully on July 1, 2026. Born on July 5, 1950, in Arcadia, Florida, to the late Birk "Buck" Sullivan and Bessie Parrish. Gwen embraced life with enthusiasm and found joy in the things she loved most. She was an avid fan of the Miami Dolphins and the Miami Hurricanes, faithfully cheering on her teams through every season. She loved spending time on the water, whether boating or simply enjoying the peace and beauty it brought her. Gwen was also

a proud member of AMVETS Post 60, where she valued the friendships and camaraderie she shared with fellow members. Above all, she will be remembered for her selfless spirit, unwavering loyalty, and the genuine love she gave so freely to her family and friends.

She is survived by a loving and supportive family who will forever cherish her memory: Niece: Robin Amendola (Andrew); Sister: Sandra Sullivan; Brother: Larry Sullivan (Lana); Mother-in-law: Ann Brannan; Sister-in-law: Eugenia Mercer. Nephews: Brent Sullivan, and Clay Sullivan;

Great-Niece: Calynne Vrba (Chris) Along with numerous nieces and nephews.

Gwen was preceded in death by her beloved husband, Eugene "Buddy" Brannan III. Together, they shared many years of companionship and partnership that formed the cornerstone of Gwen's happiness. She was also preceded by her parents, Buck and Betty Sullivan, and Father-in-law Eugene "Gene" Brannan II.

A graveside service honoring Gwen Brannan's life will be held at 11:00 a.m. on July 7, 2026, at Joshua Creek Cemetery, located at 4354 County Road 760,

Arcadia, FL 34266. All who knew Gwen are welcome to pay their respects and to celebrate a life so well lived. In lieu of flowers, please make a donation to a local animal rescue/shelter of your choice.

Gwen Brannan's legacy of kindness and love will resonate through her family and friends for generations to come.

**Our Father,
who art in heaven,
Hallowed be thy Name.
Thy Kingdom come.
Thy will be done in earth,
As it is in heaven.
Give us this day,our
daily bread.
And forgive us our
trespasses,
As we forgive them that
trespass against us.
And lead us not
into temptation,
But deliver us from evil.
For thine is the kingdom,

BUDDY JOHN

by *Bumpy Thermos*

CHAPTER 8

We were at the dinner table with Big John telling us how his two buddies would be staying in the workshop for a couple of months, a knock came from the front door. I'll get it says Big John. While he is gone, Little John and his mom start staring at each other and making movements with their mouths but no words coming out. Then his mom shrugs her shoulders and gets up and goes into the kitchen. Little John gets up and goes after her. I hear talking coming from the front door. It sounds like men talking, but I can also hear noises coming from the kitchen. But, I'm not sure it was talking, it was more like a couple of animals whining. Okay, surely it wasn't animals, but it sure sounded like animals. When Little John and his mom came back to table, they had been crying for sure. They both had red eyes and tears all over their faces, and their faces were puffy; maybe you could say swollen. Yea, that's it. They had swollen faces. Either way, I would have to say they looked rough. In a minute or two they were back to looking normal. Good thing, because Big John comes walking back to the table. Whoever was at the door had left. For some reason I had not noticed how Big John was eating, but somehow, he caught my eye while he was talking about his buddies. How I missed this, I don't know. But Big John had no teeth; none. That was why the food was all smashed up. That is what I thought anyway. It must be the reason. At least that made sense now. But Big John didn't slow down talking about how his buddies were going to get some things straight around here and how things had been left for too long and how it wasn't going to be that way anymore. Of course, I had no idea of what he was talking about and Little John's mom knew I didn't. She told Big John to stop talking like that and that we have a guest, she said. Oh yes, I forgot. He looks at me and says, sorry about all that Danny, I wasn't thinking. No problem, I said. Are we going hunting now? I came back with. I was trying to change the subject, but didn't want to look interested in that crazy talk he was making. Besides, I did want to go hunting and I didn't have any idea of what he was talking about anyway. The only thing I knew was Little John and his mom were not happy at all now....

ETERNAL DESTINATIONS THAT'S GOING TO FACE US; HEAVEN OR HELL

Heaven is divided into 3 realm's; Atmosphere: the air we breathe. It is 0 to 7 miles above our earth. Stratosphere: 6-15 miles over our earth. Ionosphere: 25 miles up and beyond. Atmosphere, classed as our first heaven which includes sky, clouds and the air we breathe; oxygen. Stratosphere classed as our 2nd heaven, the realm of the planets stars and the galaxy. Ionosphere classed as the 3rd heaven, the residence of God; his mansion and throne. This sphere is beyond our heavens, past our galaxies and far above all principalities and powers who control our heavens. Lucifer boasted he would ascend above the clouds and stars of God. The 3rd heaven, God's throne. God has given us in his word the bible scriptures all he wants us to know about heaven. The heaven of God beyond our heavens far above the planets.

There is going to be a heavenly city spoke about in biblical scriptures. Folks these is our final eternal destination of all whose names are written in the Lamb's Book of Life. The souls of everyone are immortal and will live somewhere forever. For the believer who trusts Jesus Christ as Lord and Savior will live in the New Jerusalem in Heaven. When we get there we will see many angels who ministered to us while on earth. Maybe we will even get to see God's 2 archangels mentioned in scriptures; Michael and Gabriel who lead all the other angels. Of course Jesus will be there to lead all of us. He will be the High Priest to all of us. The 24 elders will also be there around the throne of God. What a happy and joyous time this will be. Let's pray folks that we are worthy to God to be taken.
