

Plein Air Panel Price List

Build your Plein Air Panel using the options below:

- 1. Choose your size and quantity* 2. Choose your type of board mount and which thickness. 3. Choose your linen.**

Our Panels are handcrafted using the finest Claessens® 100% Belgian double primed linen canvas and are dry mounted using an acid free adhesive. We mount to 3/16" or 1/2" Gator Board for those who prefer a light weight, durable panel, or 1/8" Hard Board for those wanting a slim, more rigid panel.
