

# PREMIUM LAWN SOILS:

## LAWN MIX

< 1/2" Sandy Loam  
Contains: Topsoil,  
Leaf Compost and Sand

Rock-N-Wood's tried and true mix for your lawn. The added Compost gives seeds a boost to grow quick and healthy. Compost will enhance existing lawns with nutrients to help them grow thick and green. A soil mix with "body".  
Note: Unwanted debris maybe present.

QTY:	Price Each:
Bag	<b>2.89</b>
5 Gal Pail	<b>1.89</b>
1/4 yd Bucket	<b>10.50</b>
1/2 yd Bucket	<b>17.00</b>
3/4 yd Bucket	<b>21.50</b>
1 yd Bucket	<b>26.00</b>
1 yd Bulk Bag	<b>46.00</b>

## LAWN MIX Plus

< 1/2" Organic Soil  
Contains:  
Leaf Compost and Sand

Lawn Mix Plus is virtually weed-free, is much cleaner and smoother with no topsoil added. No large particles or mulch like texture. Leaf Compost provides high nutrient content and the sand allows for drainage. Idea for seeding and sodding. Use at full depth or as a top-dressing. Note: Can have Plastic present.

QTY:	Price Each:
Bag	<b>2.99</b>
5 Gal Pail	<b>2.49</b>
1/4 yd Bucket	<b>11.00</b>
1/2 yd Bucket	<b>18.00</b>
3/4 yd Bucket	<b>23.00</b>
1 yd Bucket	<b>28.00</b>
1 yd Bulk Bag	<b>48.00</b>

## Topdressing

< 1/4" Fine Organic Soil  
Contains: Peat and  
Washed Sand

Simply the smoothest mix available. Excellent for putting greens or if your adding a thin layer of topdressing on your existing lawn. This product has no topsoil added so it's the least likely to have unwanted debris such as glass. It can be used at full depth.

QTY:	Price Each:
Bag	<b>4.61</b>
5 Gal Pail	<b>4.11</b>
1/4 yd Bucket	<b>18.59</b>
1/2 yd Bucket	<b>33.18</b>
3/4 yd Bucket	<b>45.77</b>
1 yd Bucket	<b>58.36</b>
1 yd Bulk Bag	<b>88.36</b>

# ENGINEERED SOILS FOR FLOWERS, GARDENS & TREES:

## Planters Mix

< 1/2" Lightweight Organic  
Contains: Coir, Leaf  
Compost, Composted  
Hardwood and 1/2" Mulch  
Chips

Planters Mix is a premium lightweight blend that's ready-to-use. It has a grower-friendly composition providing the highest level of air porosity of all our blends. It's physical properties allow for thorough watering, while maintaining excellent drainage with a high moisture reserve. It is excellent for raised gardens, containers and hanging baskets.

QTY:	Price Each:
Bag	<b>3.82</b>
5 Gal Pail	<b>3.32</b>
1/4 yd Bucket	<b>14.87</b>
1/2 yd Bucket	<b>25.75</b>
3/4 yd Bucket	<b>34.62</b>
1 yd Bucket	<b>43.50</b>
1 yd Bulk Bag	<b>63.50</b>

## Planters Mix Plus

< 1/2" Lightweight Organic Fert/Soil  
Contains: Coir, Leaf  
Compost, Composted  
Hardwood, Composted  
Manure, Red Pine and Bio Char

Versatile blend of high quality components ideal for containers, hanging baskets and raised beds. Lightweight media works well for indoor or outdoor planting. High nutrient charge is great for boosting blooms. Bio Char reduces water usage, reduces salt damage and reduces fertilizer usage by storing up nutrients to distribute later.

QTY:	Price Each:
Bag	<b>5.38</b>
5 Gal Pail	<b>4.88</b>
1/4 yd Bucket	<b>19.84</b>
1/2 yd Bucket	<b>35.69</b>
3/4 yd Bucket	<b>49.53</b>
1 yd Bucket	<b>63.37</b>
1 yd Bulk Bag	<b>93.37</b>

## GROWING PERENNIAL MIX

< 1/2" High-Draining Organic  
Contains: 1/2" Mulch Chips,  
Leaf Compost, Composted  
Hardwood

Ideal balance of value and high performance growing media. High porosity mix is well suited for larger containers and long term growing. It holds up well to settling and degradation of long term growing. Leaf Compost improves water retention and provides a home for earthworm and beneficial microbial activity. Ideal for perennial gardens.

QTY:	Price Each:
Bag	<b>3.60</b>
5 Gal Pail	<b>3.10</b>
1/4 yd Bucket	<b>11.50</b>
1/2 yd Bucket	<b>18.99</b>
3/4 yd Bucket	<b>24.49</b>
1 yd Bucket	<b>29.99</b>
1 yd Bulk Bag	<b>59.99</b>

## GROWING PERENNIAL MIX Plus

< 1/2" High-Draining Organic Fert/Soil  
Contains: Southern Bark Fines,  
Red Pine, Leaf Compost, Coir  
and Composted Manure

Perfect for vegetable seedlings and plants. GPM Plus is a rich, lightweight and workable soil. Vegetables need moist, well drained soil with plenty of nutrition. Use for your vegetable garden or high feeding ornamental plants. Excellent for trees and shrubs as well. May also be used as a soil amendment. High nutrient value to improve growing.

QTY:	Price Each:
Bag	<b>4.64</b>
5 Gal Pail	<b>4.14</b>
1/4 yd Bucket	<b>18.36</b>
1/2 yd Bucket	<b>30.71</b>
3/4 yd Bucket	<b>41.07</b>
1 yd Bucket	<b>49.42</b>
1 yd Bulk Bag	<b>79.42</b>
