

'Supporting learning and leadership within the food, farming and associated industries'

EDUCATOR AWARDS 2025

These awards give opportunities for those employed in the land based education sector to develop their technical expertise through study activity either in the UK or abroad. The awards give CPD opportunities to develop your knowledge of a specific food, farming or associated industry topic that will enable you to disseminate this information to others.

APPLY FOR UP TO £5,000 to support your study trip associated with our charitable purpose. Applicants must also be supported by their employing institution.

THE CLOSING DATE FOR APPLICATIONS IS
FRIDAY 7th FEBRUARY, 2025
A SELECTION COMMITTEE WILL INTERVIEW
SHORTLISTED CANDIDATES AT THE FARMERS CLUB
ON THE 12th MARCH 2025

Exciting Opportunity: The Agricultural Educator Awards (25) Application Window Now Open!

We are thrilled to announce that the application window for next year's AEA25 awards are now open. This is a fantastic opportunity for those involved in agricultural education to enhance their knowledge and technical skills through study tours, both in the UK and abroad. By educating the next generation and sharing global concepts and theories, this award is an exciting prospect for those dedicated to empowering new agriculturalists.
