

## Appendix 6 – Interview consents

### **Cranberry Research**

#### **Agricultural Educator Award Research Consent During this research**

Julia Casperd would like to share with members of The Farmers Charitable Trust, farmers and industry representatives the results, data and updates that result from this interview. This could include the following personal data; your name, business name, farm type, general location, and images/videos taken on farm. Julia Casperd will share any intended public communications relating to you or your farm with you before they are shared more widely.

Please note the following in relation to your consent:

- Any data in the form of images, recordings and documentation captured and processed in accordance with this agreement will be collected, processed, and disposed of in accordance with the principles defined in Chapter 2 of the Data Protection Act 2018.
- Any data captured and processed in line with this agreement will not be used for any other purpose not specified in this agreement without further consultation with me or unless there is an existing statutory obligation (the definition of statutory obligations can be viewed via the RPA's Personal Information Charter on GOV.UK).
- I can refuse to give consent to this activity without detriment to any other agreements with your organisation unless the activity directly applies and is communicated at the time of the agreement.
- I have the right to withdraw my consent at any time and can ask the Agency to stop using my data in line with this specified activity at any time by emailing [jcasperd@harper-adams.ac.uk](mailto:jcasperd@harper-adams.ac.uk) All data/information will be stored in password protected files.
