

Daughters Of The Revolution

Words and Music by Timothy Carman/Leon Ellis

Daughters of the revolution
Say your gonna live on that
Daughters of the revolution
Say your gonna live on that

Save all your children
Caught up in another trap
Daughters of the revolution
Say your gonna live on that

Save your money for a rainy day
Everybody knows you're gonna pay on that
Pay in that

Daughters of the revolution
Gonna go and live like that

Daughters of the revolution
Say your gonna live on that
Daughters of the revolution
Say your gonna live on that

Save all your children
Caught up in another trap
Daughters of the revolution
Say your gonna live on that

Save your money for a rainy day
Everybody knows you're gonna pay on that
Pay in that
