

Ragtime

Words and Music By Timothy Carman/Leon Ellis

I don't need no cocaine
I don't need no heroin
I don't need no cocaine
No no I don't need no heroin
But I know what I want

I ain't got no troubles
But I got what I need
Well if you know where I'm going
I know I've got to believe

Guess I need some cocaine
Guess I need some heroin yeah
I gotta get my cocaine baby
Just let me shoot my heroin yeah
I guess I know what I want

I don't ask anybody here what to do
They just ask me how I am
And I say that I'm doing fine
What else am I supposed to say
My life's bad my life's not good
Things aren't going well
Of course not
I'll just tell them I'll take a rest
Yeah I'll take a rest
