

Train

Words and Music by Timothy Carman/Leon Ellis

Stop listen can you hear it
There ain't no train on the track
Ain't no whistle's a blowin'
I guess I'm thankful for that

I ain't chasin' no dragons
Ain't got no monkey on my back

Well it all seems quiet
There's just no noise in my head
But I know I still want it
The devil's shakin' my hand

I ain't chasin' no dragons
Ain't got no monkey on my back
I ain't chasin' no dragons

Stop listen can you hear it
There ain't no train on the track
Ain't no whistle's a blowin'
I guess I'm thankful for that
