

Talkin About Revolution

Words and Music by Timothy Carman/Leon Ellis

The cat got her faith in the
Corner of the revolution
The cat's on the corner
And the people on the revolution

I don't know
If you're gonna be my friend
Talkin about a revolution

Apples and the oranges
They don't fall far from the tree
The apples and the oranges
They don't fall far from the tree

All the angels got together
Did a little talking to me
Talkin about a revolution

Hide out in your places
Where your illusions are so complete
The cat in the cradle and the
Mouse and queen all agree
Talkin about revolution

In my sorrow
In my grief I found my
Talkin about a revolution

See you at the crossroads
Accepting donations please
Talkin about revolution yeah

Hanging out a window
Walking down a voice in the streets
The cow's in the cabin
The cow's in the corn
Oh good grief

Will you be able
To come as you are
Talkin about revolution yeah
Revolution revolution my brother
