

## **Don't Anymore**

Words and Music by Timothy Carman/Leon Ellis

Well I used to walk the sunset  
But I don't anymore

Used to walk the sunset  
But I don't do that anymore

I get my kicks  
On route 66

See the telephone  
They say it serves all my needs

Come on baby  
Come on baby let me see  
On the top it's so fine  
Almost giving me

Well my suit is in the know  
For a thousand I would stay  
And be doing fine

Well the suits all ready  
The jacket- they're going by the store again  
My own
