Spring is here and Easter is fast approaching! It is the time of year when the weather is simply gorgeous and we all have the reason and the opportunity to count our blessings and share our good fortune with others. Chapter FL2-0 has truly risen to the occasion through outstanding participation at the Gatherings, lots of group rides to FUN destinations and an almost record breaking fund raising event for the House of Hope.

Yes, we accepted the challenge to collect non-perishable food items and toiletries at each Gathering through the months of Jan.-March. It was heart-warming to see the outpouring of so many caring FRIENDS who brought bags and bags of canned goods, cereal, bottled water, Kleenex and so much more to each of the 3 Gatherings. David and I were happy to store the 'bounty' in our home until our goal was reached. So, after the March Gathering, we loaded our car and brought everything to the House of Hope in Hobe Sound.

Paul was delighted to see us arrive and immediately piled the dozens of bags filled to capacity into two grocery carts. He said, "I'll go and weigh it all now." As we all know, food insecurity is a big problem in the US, where over 44 million people, including 13 million children, experience it annually. So, when Paul returned and thanked us for helping to feed hundreds of needy families on the Treasure Coast, I was thrilled to see that we had gathered over 288 lbs. of non-perishable food. Thank you for your caring hearts and kind FRIENDSHIP!

We wish you all a blessed Easter!

Safety and Travel

I know they make LED lights that stick to the back of your helmet and come on when you apply the brakes but what if you don't want or like them. An alternative would be to put reflective tape on the back of helmets you and your passenger use. I have been using 3M Scotch Lite Plus 680 Series reflective sheeting with Controllac Adhesive available in 10 and three-quarter by 15 inch sheets that I cut into strips. What is unique about this tape is that it is black but looks like a white reflector when light hits it. It is great for lighting up areas where you don't want to or can't put an electric light. Stylish designs for helmets, the back of saddlebags or side markers come to mind. Besides our helmets, I have put a one by 2 inch piece on each tire rim of my trailer which is a great attention getter after dark.

The Georgia/ Region "A" Ride-In and EWMA Rendezvous are coming soon, which reminds me of people I sometimes meet while traveling. They often ask me why I travel by motorcycle. I tell them when you travel my automobile, you are just taking a long ride in a car but when you travel by motorcycle, you are on an adventure! As we all know, it is often the journey not the destination!

MY TURN

by Jim Rich

Joe Pisano wrote an excellent article on trail braking last month, meaning lightly applying the rear brake when making a turn, especially a very tight turn. Ever since Marilyn and I purchased our 2005 Honda VTX 1300 I've aspired to execute turns as tight as

Dominick DeSiato (at the Advanced Rider Course in Ocala I watched Dominic make a left hand U turn and I could swear that when he lifted his left foot and made the turn his left foot landed in the exact same spot where it started). I have never quite gotten there but I console myself knowing that Dominick is an ex-motor officer, a drill team leader and participates in Police Rodeos. I have taken it upon myself to take four Experienced Rider Courses, Jerry Palladino's Ride Like a Pro course, the Total Control Advanced Rider Course, the Road Captain Course, and Dominick's Advanced Rider Course in Ocala. What I have taken away from all that training is that for us amateurs we should push down on the handlebar on the inside of the turn and let the bike make the turn, rather than turning the handlebars in that direction. As you can see in the picture, the racers lean their bodies and keep the bike more upright to maintain tire traction. Son Jeff took a racing course at Moroso before it's demise and learned the technique, which plays havoc with the foot-pegs on his Suzuki 109. Participants in the course were required to wear head to toe leathers and Jeff got to try them out when his bike departed from under him in just such a turn. While I haven't achieved the perfect turn Marilyn and I have managed to drag the pegs on our VTX and both of our Gold Wings.

Shipping is an additional \$8 charge.

Thanks to Doug and Donna for spearheading the FL2-O new shirt designs.

Ride with FL2-H Wauchula to Catfish Country

Saturday, March 2, 2024 - John DuBose

Chapter Director Winston Carlton had 24 out for today's event. Two Wheels, Three Wheels and Four Wheels all showed up for a great friendship and lunch at Catfish Country in Bartow. Winston led us on many back roads to Bartow without having to get on busy Hwy 17. Then after lunch he took us back a different route to Smokin' Joe's BBQ in Bowling Green for an ice-cream break before we all headed home. Winston's two daughters (Leslie/Danny and grandson Grant & Cambron) live in Lakeland so they were able to make lunch with us. My Big Red had a good workout today with 241 miles. Ride Report to Mrs Mac's Fillin' Station

Friday, March 8, 2024

FL2-O Stuart "Treasure Coast Riders" met FL2-D Melbourne "Space Coast Riders" at Mrs. Mac's Fillin' Station in Vero Beach for a late breakfast. Mrs Mac's has an old Fillin' Station theme. The menus are made from old license plates. Breakfast was good and CD Dave even commented on the reasonable prices.

FL2-O Lead John DuBose, Bob Steigmeier, Jim Rich, Ted and Beth Daniels, Dave Piacenti, Tail CD Dave Morris with CD Terry Henderson along with John's brother Mike DuBose. FL2-D had CD's Harry and Lynn Anderson with Paul Moore. We had a total of 12 out today.

We enjoyed having Terry Henderson and Beth Daniels out with the guys today for FL2-O. We rode Old Dixie Hwy to Vero and US 1 and AIA back to Stuart today. My Big Red went 141 miles today with Jim Rich close at 133 miles to Jupiter. Nice to be out riding with a nice group today!

Florida District Safety/Ride Coordinators

Safety Article - Dominick & Diane DeSiato

Greetings to all!

The 2024 Florida District Rally is now in the history books. What a success it was! Good times with good friends and making new ones. We look forward to doing it again (even better) in 2025. I want to thank all of the District Staff for their invaluable contributions and service. I would like to extend a special thanks to those team members I had the pleasure of working with directly. A special thanks to Fred & Karen Kennedy for their guidance, assistance and cooperation. Thank you to Ed Carr & Carlos Lozano for leading the Group Rides on Friday & Saturday. The weather was perfect and the rides were interesting and enjoyable. For those of you that thought you would not be able to ride because the maximum number of riders in each group had been filled know this: I volunteered and led a 3rd group each day so no members would be left behind. EWMA promotes safe riding and so do I. We will accommodate our members in the same manner next year, so next year be sure to bring your bike.

Thank you to Claudia Vega who conducted the HSI First Aid/CPR Class on Wednesday. Thank you to John Cain who coordinated the Classroom Presentations. The outdoor Bike Games were a lot of fun! We had twice as many participants as we did last year. The games were fun, a little challenging and safe. If you watched this year but did not participate, I hope you will join us in the FUN next year. The Lighted Bike Show had several beautiful bikes with 108 spectators voting for their favorite participant.

Congratulations to the Grand Prize winners. Kenneth Noce of Gainesville won the 1st Place Prize of \$5000.00. Blayke Dodd won the 2nd Place Prize of \$500.00 And Linda Fields won the 3rd Place Prize of \$250.00. The members who sold the winning tickets received a check for \$100.00 each. You too can win \$100.00 by selling the winning ticket. Better yet, buy some tickets for a chance to win the \$5000.00. Tickets for 2025 will go on sale soon!

Selling the Raffle Tickets is important! The proceeds pay the operational costs of our Safety/Ride Coordinator program. This includes First Aid/CPR. On Bike Games, Rider Safety Coordinator assisted Parking Lot Practice and classroom presentations.

We hope to see all of you again next year at our Florida District Rally on March 13-15, 2025 at the same location. The Best Western Gateway Grand, Gainesville, Florida was a perfect venue for our event.

We are here to assist you with any type of safety presentations: Rider training, Parking Lot Practices, and First Aid CPR Classes. We have short Classroom Presentations on many different subjects which could be given at one of your monthly gatherings. We would be happy to travel. Just contact us and tell us what you would like and we will make it happen.

Ride safe,

Dominick & Diane
