Happy Thanksgiving

This is a busy time of year. The snowbirds are arriving back, traffic is much heavier and the holiday season is here. Thanksgiving is just around the corner, followed by Black Friday and cyber Monday marking the official Christmas shopping season. By taking a Thanksgiving cruise we will miss the start of the holiday shopping events. But don't worry, we will not miss doing the shopping!!!

Thanks to a lot of planning and hard work by our **Spirit Team** we are going to have another fantastic Christmas party this year. Thanks to all those who made the effort to sign up for the party on GroupWorks and those that contacted Sandy and Barb directly. The planning of a great party requires advance knowledge of how many will be attending, so thanks for signing up early!

Near the end of the calendar year I traditionally reflect upon how well the health of our chapter has been during the year. I am happy to report that we have had a very successful 2019 due to the combined efforts of each and every one of you. The Road Captains have scheduled fun rides all year, which includes the summer season challenge of 'difficult' riding weather. The team members and leadership of the Spirit Team have provided fun activities, kick tire events, desserts at each Gathering, fund raising yard sales and the annual Christmas party. Each and every event has been well attended, which is a big positive. This year we transitioned to using GroupWorks as our primary communications tool. It has been beneficial and an easy way to indicate your anticipated attendance at our posted events.

I am encouraged to see our active membership remaining stable over the past year. We are happy to see several new members becoming active and joining in on our many activities, both the social meets and group rides. Also, this year our Treasurer, Kathy Prater resigned and we needed to fill this Officer Position. Kathy had been our Treasurer forever. Thank you, Jim Rich for taking on this additional responsibility as our new Treasurer. Just before Barry and Nancy left for their four month long vacation we learned that the Web Site needed to be upgraded. Thanks to Barry for working this activity during his vacation travels. Yes, it has been a busy fun filled year and I am thankful that everyone pitches in to make our Chapter the success that it is!

WINTER RIDING SEASON

by Jim Rich

Now that everyone is checking their antifreeze and putting on their snow tires we need your input as to where you would like to go. Road Captain John Dubose has put together a short list of some interesting new places, and we have the list of places we've been, along with your votes on which ones you liked best, but it would enhance our winter riding season if we could get the members input on some new and interesting places to ride. Keep in mind that if you suggest a new and interesting ride you have the choice of leading the ride yourself or turning it over to one of our Road Captains to lead. Your mission, and it's not impossible, is to come up with a new destination for a ride.

November GATHERING

WRITTEN BY
Terry Henderson, MEC

Chapter Director, David Morris, called the Gathering to order at 7pm on Wed. Nov. 13 at the Southern Pig & Cattle Co. on US 1 in Stuart. David wished Nancy Karnell and Cathie Stauffer a Happy Birthday. Attendance was excellent and included many members who have returned from their summer adventures. David welcomed back our Ride Captains John & Peggy DuBose and Paul Dreyfus and Carol Panicucci. He also thanked Ray and Claudia Vega and Phil Baxter for visiting from Chapter FL2-A. David asked Terry to introduce other returning members in attendance and it was my pleasure to welcome back Jack & Donna Seeley & Ron and Sharon Montgomery. We were also happy to see Larry & Tammy Pounds, Barry Covard & Nancy Karnell as well as Lena & Leo Valcourt & John and Sheila Main. Plus, it was great to see Bud and Barb Parish, as well as all of our members who spent the summer locally and were able to make most of our summer Gatherings.

David asked Barry and Nancy to give a report on their summer trip. Nancy said that they traveled 13,000 miles in 61 days through Canada to Alaska and had a fabulous time with 24 other people in RVs.

Claudia and Ray Vega announced that they will do a Trike Course on Feb. 9, 2020 in Wellington as well as a BRC 2 Course on April 5, 2020. There is a 12 person limit in each class, so please sign up early.

Jim and Sondra Cuff talked about their new 2019 Trike. Sondra said that Jim took it completely apart and put it back together again so he could see exactly how it was assembled. He was very pleased with his new GoldWing/Road Smith Trike.

Barb said that she would appreciate someone taking over the responsibility of ordering Chapter shirts. After doing it for years, she must step down. She said that individual members can now order a single shirt. However, it would be more cost effective if we ordered multiple shirts so we can save on shipping costs. The manufacturer has our GWRRA and Treasure Coast Wings logos on file and will be able to silk screen our names and logos without a problem. You can order cotton shirts with a pocket and/or wick-away shirts available with white inserts on the side with no pocket. Marilyn Rich volunteered to take over the shirt ordering responsibility from Barb. Thank you, Barb, for your years of providing this important service to our Chapter & thank you, Marilyn, for facilitating the group orders and helping us save on shipping costs. If you need or want a new Chapter shirt, please see Marilyn Rich.

David invited Sandy Pisano to give a Spirit Team report. She said that the Christmas party plans have been finalized. The attire is dressy casual and dinner will be a sit down meal. Bring a \$6 gift (travel theme) for the gift exchange. We have lots of fun games planned. Sandy also talked about our Kick Tires and asked members to give us some ideas of where we can meet for future Kick Tire dinners. Our next Kick Tire will tentatively be at Harry and the Natives in Hobe Sound on Jan. 22. The Spirit Team is also planning a picnic at Jonathan Dickinson State Park in early April. It is a great park with lots of history, hands on educational exhibits, bike paths, kayak rentals and more. It will be a FUN opportunity to ride our Gold Wings, bring our own lunches, relax and enjoy our Friends in the midst of a gorgeous park.

David thanked Tammy for bringing the delicious brownies as dessert for our Gathering today. He then invited ACD, Jim Rich, to take over the meeting. Jim talked about the Ride Raffle. Right now we have approximately \$30 in the Raffle and we will do a 50/50 drawing 2x a year...once at the Christmas party and once in July. Also, there are plenty of GoldWing raffle tickets available. Buy a book of 10 tickets for \$10 and if your ticket is chosen at the March Rally in Altamonte Springs, you'll win a new Gold Wing or \$10,000. Jim said that we have had some nice rides with good attendance this summer. We went to Pete's Place in WPB on a Sunday morning and enjoyed an excellent breakfast. We also went to the Square Grouper in Ft. Pierce and when the ladies went to the Spirit Team meeting on Mon., the guys went to Mulligan's in Vero Beach.

Jim called on Road Captain John DuBose. John said that he was planning a group ride next Wed. Nov. 20. We will go to the Roland Martin Tiki Bar in Clewiston. He plans to do 4-5 rides a month starting in Jan. John also reminded everyone to use hand signals when you slow down or stop so that those behind you get a 'heads up.' Remember that each & every one of you is responsible for your own safety, so be alert. John Main added that if you need to stop for any reason, don't be shy, inform the Road Captain that you need to take a break. Jim Rich said that there are 4 Road Captains in Chapter FL2-O including himself, John DuBose, Paul Dreyfuss and Greg Comstock. Jim also announced that Wing World has invited him to write an article on Group Riding so we can all look forward to that. Also, don't forget to send Barry your mileage.

Jim called on Metalflake to do his Tech Talk. Metalflake said that he is now riding his 10th Gold Wing, two of which have been Trikes. He really likes the brakes on this California Side Car Trike better than the brakes on his 1st Trike.

Jim concluded the Gathering by asking everyone to give us some ideas for ride destinations. He called for the 50/50 drawing and Nancy Karnell and Myrta won. Jim adjourned the Gathering.

Here are pictures of some of the beautiful bikes at our November Gathering-

FL 2-O SPIRIT TEAM Written by Sandy Pisano

The primary purpose of this column is to keep everyone updated on activities being planned by the Spirit Team.

Along with party plans, the Spirit Team is looking ahead to a picnic to be held in early April at Jonathan Dickinson State Park. Stay tuned for details. In anticipation of the upcoming holidays and our annual Christmas party, the spirit team had a busy November meeting. Our “Flamingle Jingle” theme provided many fun-filled ideas to incorporate into the evening’s festivities.

The next Kick Tires will be January 22. A tentative location is Harry and the Natives. Watch Groupworks for more information. Chapter members are welcomed (and encouraged) to offer suggestions for these once a month dinners.

If you have any ideas or suggestions that you would like the Spirit Team to pursue please see one of our team members. Our next meeting will be January 6, 2020 at Duffv’s (6431 SF Federal Highway) at 11:30.

Our committee members are Sondra Cuff, Myrta Colussy Barb Parish, Percy Comstock, Terry Henderson, Marilyn Rich, Tammy Pounds, Nancy Karnell, Laura Smutek, Wanda Hackett and Sandy Pisano. Ladies of the chapter are welcome to join us!

Wishing all of you a very Happy Thanksgiving.

“Think deeply, speak gently, love much, laugh aloud, work hard, give freely, and be kind.”

CHAPTER RIDES

Pete's Place

October 27, 2019

Pete's Place Breakfast ride. Six bikes and ten riders had a great ride to a great breakfast. Leads Jim & Marilyn were followed by Jim & Sondra, Greg & Percy, Willard, Barry, and tail gunners Dave & Terry. We called ahead and Pete's place had the red carpet rolled out for us even though it was their busiest day of the week. Marilyn & I came home with an additional 96 miles.

Written by Jim Rich, Ride Captain

Mulligan's Vero Beach, November 11

Mulligan's Vero Beach Lunch ride. A great group met at Cracker Barrel and proceeded up to Love's to pick up another rider and then on to Mulligan's. From the bridge in Vero we could see a huge line of rain showers to the south and a brief shower passed while we were having a superb lunch, but the group stayed dry coming and going. Lead Jim Rich was followed by Rusty from the shooting range on brand X, Barry Covard on his new wing, Michael Smutek and then sweeper Dave Morris. I arrived home with an additional 154 miles on my steed.

JOHN DUBOSE

RIDE CAPTAIN

Road Captains John DuBose and Paul Dreyfus of FL2-O went on a visitation/ride to learn more new roads from CD Winston Carlton of FL2-H Wachula. Paul and I have ridden with FL2-H before and at that time CD Winston had a 30 year old GW 1500. To my surprise, CD Winston had found a new/used 2018 Blue GW... wow he looked good on it.

I was surprised by the number of bikes 18 – 19, one car, and around 25 riders. CD Winston said he gets them from all around: Peace River, Arcadia, Fort Meade, Winter Heaven and his group from Wachula. CD Winston is cool and calm- - getting everyone to sign-in and calling the restaurant to add to his reservation.

We left Bowling Green at 9 am and CD Winston had us in two groups with plenty of back roads to Star City Restaurant in Lake Wales. Star City did a good job serving such a large group.

FL2-O Paul and John left Okeechobee at 7 am to meet-up with FL2-H which was 85 miles. Paul and I enjoyed the excellent company and good riding. We rode 235 miles today and got home around 2 pm.

Thanks to FL2-H for a good ride. John & Paul

FL2-O Ride Report: Wednesday, November 20, 2019 – Road Captain John DuBose

We had 17 riders with 10 wings and 1 car for today's ride, a good turn-out. We met at Cracker Barrel (I-95) Stuart for our ride to Roland Martin's Tiki Bar in Clewiston. The weather was perfect, with crystal clear skies. We had plenty of help for today's ride with John DuBose lead, Paul and Carol Dreyfus tail gunner for group one and ACD/Road Captain Jim Rich lead of group two and CD Dave Morris/Terry Henderson tail gunner. It was a 70 mile ride to Clewiston, we enjoyed one of the local parks for a break.

The Tiki Bar had our reservation and was ready for us... it took longer to get all our food than usual but that just gave us time to tell our stories and plan our ride around to Okeechobee before heading home. We checked out the gift shop for those travel items under \$6.00 for Christmas party gifts.

We had some new faces out riding with us today: Leo and Lena Valcourt, Frank Pellegrino on his 2019 black wing, Ron and Sharon Montgomery back from Ohio, Paul and Carol Dreyfus back from summer travels, Barry Covard enjoying his 2018 wing after summer travels, Herb (Metalflake) Jebb on his new white CSC Trike, Greg and Percy Comstock, ACD Jim Rich, Jack and Donna Seeley down from new York, and CD Dave Morris and Terry Henderson.

Thanks for coming out and riding with us today, My Big Red went 185 miles and ACD Jim Rich went the farthest at 223 miles.

RIDER EDUCATION

Written by Rick Northrup

As our northern members are returning, now is a good time to be planning not only some special fun activities and rides but also some refresher educational activities such as a Road Captains Course or a Co-Rider Seminar. Maybe a Motorcycle Crash Scene Response Seminar or Riding in the Heat or my goodness there are so many good ones, just pick one or two or three. Also, this may be a good time for some folks to renew their CPR/FA certification or maybe they have never taken a MFA class?

Your chapter CSEA or CD can contact either me or Norm Van Dame and we'll be more than happy to get presenters to come to your chapter at your convenience to conduct these seminars and classes for you.

Maybe you're looking for some riding exercises that your chapter can do as well? Here are a couple of links for some very good riding exercises that can be conducted with just a little planning.

AMAZING TEAM CHALLENGE:

TOP GUN: <http://www.gwrra.org/regional/ridered/DrillTeams/topgun.html>

These three are found on the national GWRRA website for all to see. They are there for us to use and practice with. Yes, they will challenge us but, isn't that what it's all about??

As we are heading into the holiday season, I trust you will have a Blessed Thanksgiving with your family and friends. Christmas is right around the corner and many will be traveling the highways. I pray for safe journey for all and a Merry Christmas and Happy New Year!

Well, as you have noticed I'm sure, we are in that roller coaster weather pattern now. This is that time of the year and I'm afraid it's going to be that way for several months. Cooler mornings, warming during the day then cooler in the late afternoon - evening. You'll also notice that it gets darker a lot earlier too. So, that means it will get cooler earlier also. Saying all that to say dress in layers! And still remember to hydrate! Just because it's cooler doesn't mean to slack off. Hydrate, Hydrate, Hydrate and remember to
