## **BLINKINCO AWARDED \$12.1B ARMY ITES-3S CONTRACT**

**WASHINGTON, D.C. (July 13, 2021)** – BlinkinCo, LLC is a subcontract awardee of the U.S. Army \$12.1B multiple award, indefinite-delivery/indefinite-quantity (MA ID/IQ) contract for Information Technology Enterprise Solutions (ITES). Tasks awarded under this contract will cover a full range of services and solutions necessary for the Army to satisfy its support of Army Enterprise infostructure and infrastructure goals with IT services throughout CONUS and OCOUNS locations, including warzone areas. The scope includes the Command, Control Communications, Computers, and Information Management (C4IM) requirements as defined in Army Regulations 25-1 (AR-25-1). Additionally, ITES-3S includes the services and solutions necessary for the Army and other services to transition from current service-centric information environments to the enterprise Joint Information Environment (JIE) as directed by the DoD Chief Information Officer (CIO).

“Under this ID/IQ, BlinkinCo LLC will have the opportunity to provide IT services solutions that are categorized in the following task areas: Cybersecurity Services, IT Services, Business Process Reengineering, Enterprise Design, Integration, and Consolidation, Network/Systems Operation and Maintenance, Telecommunications/Systems Operation and Maintenance, IT Supply Chain Management, IT Education & Training”, said Karl Blinkinsop, BlinkinCo’s CEO. Mr. Blinkinsop goes on to state, “We are able to leverage our extensive experience, including BlinkinCo’s IT and C4IM capability to assist our partner in providing our government customer with the support they need to accomplish their mission. We believe in supporting to warfighter. BlinkinCo and our team will be able to provide our customer excellent results, on time or ahead of time in order to support our nation.”
