

# SCOTCH PINES DOG TRAINING

*Specializing in Off-Leash Obedience*

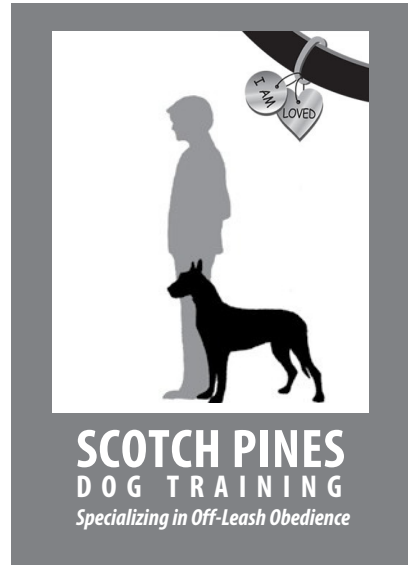

*\*First Class Instructions*

## Welcome!

*You are making a fantastic investment in your pet!*

### What to expect:

You should have received the pre-class email as a reply to your enrollment. Class locations and times are in that email, along with other important information, so if you did not get the email, let me know and I will resend it!

There will be close to 30 people and dogs in this class so don't be alarmed. The class size is large "on purpose," to maximize you and your dog's learning amid distractions! A dog's greatest distraction is another dog!

Class time is for lecture, instruction, demonstration and practice! Skill building happens during your daily homework time! This is an amazing and challenging course! Bring your commitment, enthusiasm, questions and effort! Come prepared to learn new ideas and techniques! Resolve to make the most of this investment of your time and resources!
