

Thank you for choosing  
**SCOTCH PINES DOG TRAINING**  
*Specializing in On & Off-Leash Obedience*

**W**e know you love your dog and want to be sure his or her training is a positive experience. To build your confidence in us we would like to present our credentials.

Scotch Pines Dog Training, Specializing in On and Off-Leash Obedience, was started in 1993 by Will and Vivian Stoppel when they lived on Scotch Pines Road in Payette, Idaho. Their daughter, April, is the current owner of what is now the largest dog training school in Idaho and one of the largest in the nation. Stephanie & Belle are the local franchise trainers/owner and are eager to meet your training needs through this exceptional program. We enjoy tremendous support from veterinarians, law enforcement officials, and humane societies.

We train hundreds of people and dogs each year, so we've been privileged to work with all breeds and all personalities. We love them all and look forward to getting to know you and your best friend this session.
