ITC 2026

20th Anniversary
Shaping Better Tomorrows
with Ubiquitous TFTs

20th International TFT Conference
28 – 31 Mar, 2026
Xiamen, China

https://itc2026.org/

Welcome to ITC 2026!!!

International TFT Conference (ITC) is dedicated to thin-film transistor (TFT) related technologies for displays, sensors and general large area and flexible electronics. As TFT applications broaden and expand beyond traditional markets, the 20th ITC will provide a platform for sharing the research progress and discussing the challenges in this field.

In 2026, this storied tradition continues as ITC makes its way to the stunning coastal city of Xiamen, China. Blending modern innovation with rich cultural heritage, Xiamen provides an inspiring backdrop for the 20th edition of ITC, which centers on the theme: "Shaping Better Tomorrows with Ubiquitous TFTs."

Join us in Xiamen to be part of this transformative event, as we harness the omnipresent power of TFTs to build a smarter, more connected tomorrow.

Technical Program Overview

The 20th International TFT Conference (ITC 2026) is the premier forum for advancing thin-film transistor (TFT) technologies that power the next generation of displays, sensors, and flexible electronics. As TFT innovations transcend traditional applications—from ultra-high-resolution displays to biointegrated sensors and neuromorphic computing—this anniversary edition will spotlight breakthroughs and collaborative solutions to emerging challenges.

Key Focus Areas Include

- Semiconductors and Dielectrics Materials
- Advanced Processes and Production
- Emerging Devices and Technologies
- Device Physics and Modeling
- Circuit and Novel Applications
- System Integration and Scalability

Abstract Submission Guidelines

- Only One-page abstract is required.
- To encourage participation, we have established Best Oral/Post Presentation Awards and Overseas Student Travel Grants, recognizing outstanding work and welcoming high-quality submissions.

Don't miss this TFT coastal adventure!!!

Important Dates

- Abstract Submission Deadline: ~~10 Nov~~30 Nov, 2025
- Notification of Acceptance: 15 Dec, 2025
- Early Bird Registration Deadline: February 28, 2026
- Standard Registration Starts: March 1, 2026
