This policy is consistent with the expectations outlined in the **Avalon College Acceptance & Enrolment Policy (AC-ENR-001)**, **Enrolment Agreement (AC-ENR-002)** and **Avalon College Refund Policy (AC-ENR-004)**.

3. Guiding Principles

Avalon College ensures that:

- Complaints are handled **fairly, promptly, and confidentially**.
- All parties are treated with **respect and without bias**.
- Complaints are resolved at the **lowest appropriate level** before escalation.
- There is **no victimisation** or disadvantage for making a complaint.

4. General Complaints & Grievances Process

4.1 Informal Resolution

- Individuals are encouraged to resolve concerns directly through open communication.
- If a concern relates to boarding house matters, students or parents are encouraged to initially raise the issue with the Senior Boarding House Supervisor before proceeding to a formal complaint.
- If the matter remains unresolved, it can proceed to a formal complaint.

4.2 Lodging a Formal Complaint

- Formal complaints must be submitted in writing to the **Managing Director** or designated officer.
- Complaints can be submitted via:
 - **Email:** admin@avaloncollege.vic.edu.au
 - **Complaint Form** (available on the Avalon College website)
 - **In-person submission** to administration
- Complaints are acknowledged within **three working days**.

4.3 Investigation & Resolution

- A designated staff member will investigate the complaint within **10 working days**.
- Parties may be asked to provide additional information.
- Outcomes will be communicated in writing.
- Where necessary, an **independent mediator** may be engaged.

4.4 Escalation Process

If a complainant is dissatisfied with the outcome, they may escalate their complaint to:

- **Avalon College Managing Director** for internal review.

- **VRQA or other relevant regulatory authorities**, including the Dispute Settlement Centre of Victoria (<https://www.disputes.vic.gov.au>) for external review.

4.5 Child Safety Complaints and Reporting Procedures

This policy includes procedures for managing complaints or concerns relating to child abuse, including:

- Physical abuse, sexual abuse, grooming, emotional abuse, neglect, family violence, and online exploitation
- Alleged breaches of the **Child Safety Code of Conduct (AC-CSP-002)**
- Misconduct by staff, volunteers, contractors, service providers, or other adults involved in the College environment

All such complaints must be taken seriously and acted upon promptly and thoroughly, in line with **Ministerial Order No. 1359** and Avalon College's **Child Safety & Wellbeing Policy (AC-CSP-001)**.

Response process includes:

5. **Monitoring and ongoing support** for the affected child or student
6. **Alternative complaint manager** will be appointed if the primary staff member (e.g., Child Safety Officer) is unable to act due to conflict of interest or absence.

These responsibilities do not displace any individual's obligation to report child abuse to external authorities. Any staff member or volunteer may contact external agencies directly.

4.6 Legal and Ethical Reporting Obligations

All College staff and volunteers are required to:

- Report concerns in accordance with the Crimes Act 1958 (Vic), including Failure to Protect and Failure to Disclose offences
- **Make mandatory reports** if they are a mandated notifier and form a reasonable belief of abuse
- **Cooperate with law enforcement** and external investigations
- Ensure that no staff member is required to make a judgment about the truth of an allegation – **all complaints must be treated objectively**
- Never place the burden of reporting on a victim or affected child.

5. Supportive and Inclusive Practice

All complaints are managed with respect for privacy, cultural sensitivity, and inclusiveness.

The College will:

- Offer culturally safe and appropriate support, especially for Aboriginal students, international students, and students with disability or diverse identities (LGBTIQ+);
