An Australian Education

Dear student

Greetings from Avalon!

*Do you want achieve the dream of coming to an Australian school to study in 2021?
Avalon College's online English language preparation classes have been so successful we are now offering our complete English language course online so you can prepare for entry into your Australian school.*

You will connect with our onshore Avalon community of learners and be given regular updates about what other Avalon students have been learning and doing on their weekend activities here in Australia at beautiful Avalon.

Begin your exciting educational journey online today! We look forward to welcoming you soon!

Mark Dooley
Head of School

School pathways

Avalon College is an industry leader in pathway English language programs for students entering Australian schools.

- Avalon's online ELICOS courses allow students to connect with our experienced teachers in an Australian classroom context.
- Important to this online experience is how students learn to adapt to the cultural expectations of learning in an Australian school environment.
