

Avalon College Parent and Guardian Code of Conduct

1. Purpose

Avalon College values and respects the partnership between parents, guardians, and the school community in supporting students' education, wellbeing, and personal development. As an **English language school catering to international students**, Avalon College recognises that most parents live overseas and may not speak English as their first language. This **Parent and Guardian Code of Conduct** outlines expected behaviours to ensure respectful, positive, and productive engagement between parents, guardians and the school.
