Short Term Study Experience

Avalon College has a reputation as a leader in school preparation and short-term study programs and student care. A co-educational English language boarding school for students 10 – 17 years old. We offer short term study, cultural and activities programs for students from a range of countries including China; Hong Kong; Japan; Indonesia; South Korea; Thailand; Vietnam and some European countries.

We offer:

- A safe and caring residential environment close to Melbourne
- ELICOS, school preparation and short term study courses
- Pathways for students to the best private day and boarding schools
- 7 day program including after school activities
- Weekend program – activities Friday night, Saturday, Sunday every weekend
- Specialised curriculum, outstanding teachers, small classes
- English speaking environment
- 24 hour 7 days/week supervision by professional and caring staff
- Affordable guardianship service available

EDUCATE, ACCOMODATE, INTEGRATE

Our Short Term Study Program combines a focus on the significant development of English language skills through classroom activities with an informative and interesting cultural and activities program. It gives students the opportunity to mix with children their own age from a range of overseas countries. Students live on-site and learn English in a beautiful seaside rural environment, whilst exploring the context of Australia: its people; culture; history; geography; plants and animals.

DISCOVERY THROUGH EXPERIENCE

English language learning at Avalon College does not finish at the end of academic classes. Unlike traditional language programs, Avalon College runs a comprehensive after school and weekend program to provide further opportunities for our students to experience Australian culture, lifestyle and landscape. This gives them every opportunity to practise their English skills in varying contexts.

AFTER-SCHOOL PROGRAM

Students develop skills of teamwork, independence and personal responsibility. Highly trained staff run the After-School Activities Program involving team building and sports activities, games, dancing, trivia and talent nights and themed dinners. Using English in different social contexts continues the learning of the classroom and reinforces the values of Avalon's pure English immersion experience.

THE WEEKEND ACTIVITIES PROGRAM

Every weekend, learning moves away from Avalon. Students use English in a range of different social and cultural contexts

Week	Friday Night	Saturday	Sunday
1	Games Night	Melbourne Zoo	Australian Rules Football (AFL)
2	Movies	Shopping in Melbourne	Mini Golf
3	Camping Experience		
4	Dance Night	Scienceworks	Laser Tag
5	Badminton	Melbourne Museum	Ten Pin Bowling
6	Student Drama Night	Adventure Park	Hiking and BBQ lunch
