

ELIER AUBRET

SS | 2023

NEW YORK FASHION WEEK

SPONSORSHIP PACKAGE

NYFW / SS23

SEPTEMBER 9-11, 2022

ELIER AUBRET , Well know Puerto Rican fashion Designer with twenty years in the industry will be showing his new Spring / Summer collection on a Private Showing at the Prince George Ballroom in New York City during the most important event Fashion Week. This showcase will be presented to a very selective group of buyers , International Press , Distinguished Clients and Fashionistas from around the globe.

Elier Aubret's colorful style is very well known in Puerto Rico , New York and Latin America. With a touch of a sexy Contemporary Modern Style he is defined as a great upcoming classic and trendy designer. This will jumpstart a greater international exposure the brands.

Since his first showing a five consecutive seasons back in Fashion Gallery at **New York Fashion Week** this Designer from Puerto Rico has captured the attention of all medias with few capacity venues and magnificent reviews creating great expectations for every upcoming seasons.

Each season is great opportunity to market your company , key Fashion Industry insiders travel to New York to cover and view some of the most talented designers collections for the season. Editors , Buyers , retailers, Local and International Press , celebrities and hundreds of photographers attend the shows during Fashion Week

This is a great chance to expose your company and brand on an event that is renowned around the world and an opportunity to be showcased in **NEW YORK FASHION WEEK** .
