FX Pictures LLC Service Agreement

This agreement outlines the terms and conditions between the Client and FX Pictures for photography, videography, or related services.

1. Payment Terms

- A non-refundable deposit is required to secure your booking.
- The remaining balance is due one (1) month prior to the event date.
- If the event date is changed after booking, a rescheduling fee may apply. If FX Pictures is unavailable on the new date, the contract is canceled, and the deposit is forfeited.

2. Cancellations & Rescheduling

- Deposits are non-refundable but may be applied as credit toward future services.
- All changes must be communicated at least 60 days before the event.

4. File Delivery & Storage

- Final media will be delivered via a download link that remains active for one (1) year.
- Clients are responsible for downloading and securely backing up their files.
- FX Pictures retains files for six (6) months, after which files may no longer be available.
- Extended access beyond one year may be requested for a small fee (for link renewal or file transfer to a flash drive).
- While backups may exist, FX Pictures does not guarantee or insure file retention beyond one year.

5. Audio Recording Policy

- FX Pictures records audio via soundboard feed when available, or through internal camera microphones if necessary.
- We are not responsible for the quality of third-party audio feeds.
- Audio captured from a mixing board is typically a pre-mixed signal (not multitrack), and cannot be adjusted post-event.
- We strive for the best possible quality but are not liable for poor audio provided by venues, DJs, or third-party vendors.

6. Liability & Limitations

- In the event of illness, equipment failure, or force majeure (fire, flood, natural disaster, etc.), FX Pictures' maximum liability is limited to a full refund of all payments received.
- FX Pictures is not liable for any indirect, incidental, or consequential damages, including lost profits.
- We are also not responsible for lost, damaged, or corrupted footage due to unforeseen circumstances or equipment malfunction.

7. Equipment Responsibility

- The Client assumes full responsibility for any damage to FX Pictures' equipment due to misuse, spills, power surges, theft, or accidents caused by guests or vendors during the event
