Lake Co Master Gardener Association
2293 N. Main Street
Crown Point, IN 46307

Dear Lake Co Master Gardener Association:

The Department of Horticulture and Landscape Architecture would like to share our sincere appreciation for the Lake County Master Gardener Association's generous scholarship support. Your support will have a positive impact on our students and their ability to further their education.

Information about award recipients will not be available until after September. If you would like to request these records, please email mrmiel@purdueforlife.org at the Purdue for Life office directly, as university departments are not authorized to release this information.

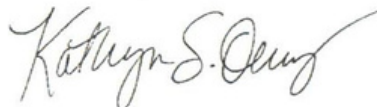

We are delighted that your organization has chosen to invest in the education of tomorrow's leaders in Indiana horticulture. Your generosity not only reduces financial burdens for our students but also strengthens the future of our profession and communities.

Thank you again for your continued generosity and support of our students.

Sincerely,

Anjali Iyer-Pascuzzi, Ph. D.
Professor and Department Head
Department of Horticulture and Landscape Architecture

Dr. Kathryn S. Orvis
Professor and Associate Department Head
Undergraduate Coordinator
Department of Horticulture and Landscape
Architecture
