Claim Doctors Process

- 1. Client submits job to Claim Doctors with the following documents**
 - Contract
 - Insurance paperwork (IPW)
 - Photos
 - Roof scope notes
 - Scope of work
 - Signed 3rd party authorization form
 - Base fee payment
- 2. Job is added to project list**
 - Claim is reviewed by Claim Doctors to determine supplement process
 - Notes and files can be added to the job
- 3. Xactimate estimate is built**
 - Xactimate is sent in PDF format for client review and approval
 - Client to review and confirm estimate is correct
 - Includes one revision at no charge
 - Job is approved for submission to the carrier
- 4. Claim administration begins**
 - Supplement package is submitted to carrier
 - Calls are made on a regular basis (typically every 3 to 4 days)
 - Job updates and results will be added to the CRM
 - We will contact the client for any additional documentation or photos needed
- 5. Claim is settled**
 - We reach an agreement with the adjuster and receive a revised copy of the IPW
 - We send a revised estimate to the client for approval
- 6. Final invoice is submitted**
 - Client submits a post- production report to confirm work is completed and any changes during production.
 - We submit final invoice with any additional supplements if needed
 - We confirm all supplements and depreciation for work completed is released
 - Final estimate is sent to client
- 7. File is closed**
 - Final payment is due
