

Meet the Teacher *eee* Mr. Tittle

4th and 5th Grade Humanities
American Legacy Academy
2026/2027

Welcome

Hey there students and families. I am looking forward to starting this new chapter with you. It is my pleasure to welcome each student to my class, where we will make reading, writing and history come to life.

About Me

I came from a big family that loves the outdoors, sports, travel, and books, and my wife and I are carrying those same values into our own family. I have coached mens gymnastics for six years and plan to keep coaching. Hiking, camping, and basically all outdoor fun are things I deeply enjoy. I love history, and reading has made my life richer. I have traveled to several countries, and many are still on the list. If you love a good book or a good adventure story, we'll get along great!

Fun Facts

- I love apples!
- I play the guitar
- I love a good handstand competition
